INSURANCE OFFICES.

Highly Important to Farmers. The only Exclusive Farmers' Insurance Company in the West. **THE MADISON MUTUAL,** Located at Madison, Wisconsin. THIS COMPANY CONTINUES TO TAKE RISKS upon Farm Property only, consisting of buildings of all kinds, (belonging to farmers,) household furniture, grain in barns, live stock, &c., from one to five years, at lower rates than most other responsible Companies. All losses promptly paid at the office as soon as proof is made thereon. We believe it to be for the interest of the farmers to insure by themselves, their property being less hazardous than any others, consequently you will have no losses, but your own of the same class, and all will be on an equal footing. Experience has shown that two-thirds if not three-fourths of all the fires that occur are upon stores, taverns, mills, shops, and such like property. In this Company all such property is rejected POSITIVELY BY LAYING RISKS ALONE. Farmers, look to your own interest, and insure in a Farmers Company. We have been doing business a little over three years, and we have not been obliged to assess our premium notes, and for the last fourteen months we have not had a single dollar loss, though doing a large and prosperous business, which we believe to be without a parallel in the history of insurance. The best of references given as to the responsibility of the Company. Traveling Agents wanted for Wisconsin, Iowa, Minnesota, Illinois, Indiana and Michigan. … W. DEAN, President. ÆTNA INSURANCE COMPANY OF HARTFORD, CONNECTICUT. Capital 300,000 Dollars, Agent's Office, No 3, Martin's Block, Milwaukee, WISCONSIN. THIS COMPANY was organized in the year 1819, under a perpetual Charter, and insures against loss or damage by fire, Dwelling Houses, Stores, Manufacturing Establishments, Household Furniture and Merchandise in general, on terms as favorable as a sound and healthy condition will warrant. THOMAS K BRACE, President. E G RIPLEY, Secretary. ja3 WILLIAM J. WHALING, Agent.

MILWAUKEE MUTUAL FIRE INSURANCE COMPANY. Office in Martin's Block, Milwaukee. Capital over $165,000—in Cash and Premium Notes. THIS Company offers unrivalled facilities for the insurance of Buildings and Personal Property against fire. The advantages offered are security beyond the reach of circumstances, as the real estate insured is by law bound for the assessment made to cover losses beyond the power of erosion. Every person insured is a member of the Company, and entitled to one vote. The cost of insurance does not exceed one-third as much as in Stock Companies, saying nothing of the increased security and the incomparable ease with which losses are settled. During the last five years, this Company have issued 2500 Policies, and made but three assessments at a cost to the property insured, not exceeding two mills on the dollar. Its business is principally confined to this State. F B HILL, Sec'y. S S DAGGETT, Pres't. G. J. FOWLER - - CITY AGENT. F. M. WALLACE, Travelling Agent. apr9

DR. J. B. MARCHISI'S CELEBRATED CATHOLICON For the Relief and Cure of Suffering Females.

IT STANDS PRE-eminent for its curative powers in all the diseases for which it is recommended usually called Female Complaints. Of these are Prolapsus Uteri, or Falling of the Womb; Fluor Albus, or Whites; Chronic Inflammation and Ulceration of the Womb; Incidental Hemorrhage or Flooding; Painful, Suppressed and Irregular Menstruation, &c., with all their accompanying evils, (Cancer excepted,) no matter how severe or how long standing. The Catholicon far surpasses other remedies, being more certain, less expensive, and leaving the system in a better condition. I have no hesitation in saying Dr Marchisi's Uterine Catholicon is invaluable in uterine diseases generally. I have used it in Fluor Albus, Amenorrhoea, Prolapsus Uteri, and in cases of extensive ulceration of the vagina and os uteri. It is worthy of the notice of the Faculty. JOHN C ORRICK, M. D., Baltimore, Md. The Catholicon is doing good service here. All the patients that have tried the medicine have been benefitted but one—and that one nothing will help. Truly Yours, WM LAIRD HAZLETT, M D., July 6th, 1854, New Philadelphia, Ohio. I must say, from my own experience and personal observations in my practice, it has proved to be the best and safest remedy for the difficulties for which it is recommended, viz. that of female weakness, such as Prolapsus Uteri, Fluor Albus, and all irregular and painful menstruation, and diseases of irritation of the female organs. D. Y. FOOTE, M. D., Syracuse, N. Y. Those needing such a remedy should inquire into the merits of this medicine, and by calling at the store of the undersigned can obtain a pamphlet (free) containing ample proof, from the most respectable sources, of the beneficial results of its use, together with letters from highly experienced Physicians, who have used it in their practice, and speak from their own observations. INSURANCE OFFICES

Highly Important to Farmers.
The only Exclusive Farmers' Insurance Company in the West.
THE MADISON MUTUAL,
Located at Madison, Wisconsin.
THIS COMPANY CONTINUES TO TAKE RISKS upon Farm Property only, consisting of buildings of all kinds, (belonging to farmers,) household furniture, grain in barns, live stock, &c, from one to five years, at lower rates than most other responsible Companies.
All losses promptly paid at the office as soon as proof is made thereof.
We believe it to be for the interest of the farmers to insure by themselves their property being less hazardous than any other, consequently you will have no losses, only your own of the same class, and all will be on an equal footing.
Experience has shown that two-thirds if not three-fourths of all the fires that occur are upon stores, taverns, mills, shops, and such like property In this Company all such property is rejected POSITIVELY by LATTING ... ALONE
Farmers, look to your own interest, and insure in a Farmers Company
We have been doing business a little over three years, and we have not been obliged to assess our premium notes, and for the last *fourteen months we have not had a single dollar lost*, though doing a large and prosperous business, which we believe to be without a parallel in the history of insurance

Mr. Durkee Elected Senator!

A telegraph despatch from Janesville, received at the Sentinel Office yesterday morning, brought the welcome intelligence of the election of CHARLES DURKEE, as U. S. Senator from Wisconsin for six years from the 4th of March next. The train from Madison yesterday ought to have brought us the full details of the election, but up to 8 o'clock last evening, it had not arrived, nor was the cause of this detention ascertained. For the present therefore, we must be content with knowing that the Senatorial struggle at Madison has resulted auspiciously and that an honest man and thorough Republican is elected to represent the State of Wisconsin in the National Council Chamber.

Mr. DURKEE has twice represented this District in Congress. He is not a man of shining talents, but of solid and sterling qualities, approved integrity and true principles. We hail his election as a signal triumph for Right, Humanity and Freedom!

P. S.—The Madison train arrived at 8½ P. M. See letter for details of the election.

SENATOR SEWARD RENOMINATED.—We learn with unmingled satisfaction that the Whigs of the N. Y. Legislature, at their caucus Thursday night, unanimously renominated WILLIAM H SEWARD for re-election as United States Senator from New York. Seventeen out of 32 Senators and 63 out of 128 Assemblymen were present and voting at the caucus. The election takes place on Tuesday next. The entire North West will rejoice in the re-election of so true and tried a friend of Freedom, Popular Rights and Western interests, as WILLIAM H. SEWARD has on all occasions shown himself to be.

Rather Sharp Practice.

A few days since a joint resolution passed the Assembly, almost unanimously, directing the Treasurer to withhold the annual appropriation of $3,000 to the State Agricultural Society—liable to be drawn after the 1st of February in each year—until the further order of the Legislature. The resolution went to the Senate and on Wednesday, the 31st ult, being the last day left to stop the appropriation a motion was made to call it up, when behold! the resolution *was missing*. Mr. GILLIS, of Dane County, immediately offered a transcript from the journal, of the original resolution, and moved to suspend the rules to take it up, but the motion failed, there being 15 yeas to 8 nays—lacking *one* vote of the necessary two-thirds. The next day, Thursday, the missing resolution was found and forthwith *passed*; but the money had already been drawn! We call that exceedingly sharp practice.

Let us say, in all frankness, to the Officers of our State Agricultural Society, that the very best thing they can do with the $3,000 thus obtained is to pay it right back into the State Treasury. We do not know what reasons influenced the Legislature in passing the joint resolution to withhold the appropriation, but it is enough for the Society to know that the Legislature wished the money kept back until their further order. A "grab game," on the part of our Agricultural Society, is not only unworthy of them, but ungrateful to the State. Gentlemen! pay back the money, and then make a frank and fair appeal to the Legislature to vote you the appropriation, as heretofore.

A WANTON FABRICATION.—The *News* of Wednesday last, in an article headed the "reign of terror," referring to the proceedings in and around the County Jail, on Monday last, when Messrs BOOTH & RYCRAFT were escorted to the cars by a multitude of our citizens, makes this charge against the people of Milwaukee:

The conduct of the crowd at the jail—or, more properly, of the leader of it—was marked with a feature of cold-blooded atrocity at which even savages might cry shame.

The specification is, that a son of Dr. TRACY who lives immediately north of the jail, had died very suddenly that morning; that the bereaved family were disturbed, in their deep sorrow, by a din of yells, music and firing of cannon, immediately at their door, which would have disgraced a tribe of Hottentots," that Dr. Tracy came out and stated the circumstances, begging the crowd to desist, "at least from firing the cannon," but that, and we here quote the language of the *News*,

Without even the respect which brute animals instinctively pay to the presence of the dead, the request was not complied with—the carnival of fanaticism suffered no abatement until the performers took up their line of march through the streets.

The "performers" in question included from one to two thousand of our fellow citizens; men of all ranks, parties and pursuits. The "leader," by whom we suppose the *News* means the Marshal, was Dr. E. B. WOLCOTT; a man, "take him for all in all," who has not his superior in this city. It is hardly necessary to add that the charge, as to him, and the "crowd" generally, is utterly and maliciously false. Dr. WOLCOTT informs us that he never heard of the circumstance mentioned by the *News*, and we are quite sure that there was not a "Hottentot" in that whole "crowd," who would not instantly have desisted from all noisy demonstrations of joy, at the request of the parents, had he known of the sad bereavement under which the family of a fellow citizen, living close to the jail, was then suffering.

GALT HOUSE, AT LOUISVILLE, BURNED.—We infer from the following private despatch, received yesterday from our fellow-citizen, Geo. D. DOUSMAN, now on a visit to Louisville with some members of his family that the Galt House in that city, kept by Col. PRATT, was destroyed, or badly damaged by fire Thursday night:

LOUISVILLE, Feb. 21.

Galt House took fire last night. We are all safe.

G. D. DOUSMAN.

The Springfield *Republican* credits Marshal Ney with the saying—"It is not enough to shoot a Russian soldier you must push him over."—The Russians at Sebastopol have sustained their ancient reputation for immobility and dogged bravery. They have neither agility, nor strategy but in strength and unyielding resolution, they are hard to beat, as the allies have found.

NEW OCEAN STEAMER.—A new steamer for New York and Havre Line, called the *Arago*, has been launched at New York. She cost $450,000, is 2250 tons register, 310 feet length of keel, 40 feet 6 inches breadth, and 31 feet 6 inches depth depth of hold.

DEATH OF MISS MITFORD.—The steamer *Pacific* brings intelligence of the death of Mary Russel Mitford, the favorite and gifted author. The sad event took place in the village of Shallowfield, on the 10th ult. She was born in 1789.

THE GAME LAW.—In another place we have published the Game Law as it is now. It will be seen that its provisions are stringent, and that a violation subjects the party to a penalty of $5,00, and costs of suit, and to a penalty of $2,00 for every bird in their possession that was killed after the time specified in the law.

SENATOR HARVEY, OF ROCK COUNTY.—The *Cleveland Herald* of the 29th ult. says:

The many friends of L. P. HARVEY, Esq, hereabouts, will be gratified to learn that the name of that gentleman holds a prominent place among the candidates before the Wisconsin Legislature for United States Senator, and that his election is more than probable. If Mr. H. goes to the Senate, Wisconsin will never have cause to regret it, for he has been a worthy, honest man, "from his youth up."

From Madison.

EDITORIAL CORRESPONDENCE OF THE SENTINEL.

Mr. Durkee Elected Senator.

MADISON, Feb. 1, 1855.

Keep cool! I will come to the matter of U S. Senator by-and-bye.

In Senate, the following petitions were presented:

By Mr. Cobb, 2 for ferries across the Wisconsin River.

By Mr. Loy, for repeal of law organizing Oconto county.

Accounts of Pyncheon and Irgham.

The following bills were presented:

By Mr. Howell, to change the time of holding Circuit Court in Jefferson county.

By Mr. Wakeley, to enable assignees of choses in action to bring suits.

A message from the Governor came in covering the Report of the State Agricultural Society.

No action was had on the M. M & R R. question, progress—and slow progress only—being reported by the Chairman of the Committee of the Whole. The money to the State Agricultural Society has *not* been drawn—there being none in the Treasury.

In Assembly, in the morning, the following petitions, &c., were presented:

By Mr. Davis, the account of the Sheriff of Sauk County.

By Mr. Bennett, in favor of a general tax law.

By Mr. Adams, for the repeal of the School law of last session.

REPORT IONS;

By Mr. Hull, to pay $500 on salary of Chief Clerk—adopted.

By Mr. Van Norstrand, granting use of the Hall to State Medical Society for this county—adopted.

By Mr. P. H. Smith, withholding appropriation from the State Ag'l Society—adopted.

By Mr. Randall, for investigating by a joint select committee, the whole matter of the State Lunatic Asylum contract, prices, bids, &c., &c., covering every contingency—adopted.

Bills introduced:

By Mr. Randall, amending Sec. 26 and 27 of C. 127 R. S.

By Mr. Downs, amending the school law.

By Mr. White, amending the act amending chap, 162, laws of '51.

By Mr. Isham appropriating $1,500 to Deaf and Dumb Asylum for shops, and $6000 for support for 1855.

By Mr. Ebbetts, authorizig special tax, in shool district No. 1, Fond du Lac.

By Mr. Bennett, authorizing Manitowoc Co. to erect county buildings.

By Mr. Rood, for a state road.

By Mr. Ebbetts, charter of Fond du Lac Gas Co.

By Mr. Whirry, to repeal chap. 84, local laws of '54.

The list of bills passed in both Houses, you have already.

On motion of Mr. Cross, the House adj. to 10 minutes to 3 P.M.

On meeting at that time, Mr. Van Nostrand got the floor, and after recalling to the memory of members the fact that the first resolution withholding the $3000 from the State Agricultural Society had been lost before reaching the Senate, he stated that the Senate Clerk started to report the passage of the second resolution to the Assembly, but it did not reach this House. He moved, and the House agreed to the appointment of a joint select committee to investigate the matter.

Mr. Hull introduced a bill to amend the act relative to appeal by certiorari from Justice's Courts.

Mr. Delany offered a resolution directing the equal distribution of public documents in members' boxes.

Joint Convention, 3 P. M.

The Senate entered and took the seats prepared, the galleries and lobby being crowded again, and quite a number of ladies on the floor of the Hall.

Mr. Ebbetts moved a call of the House. The call being made, all were found present except W. R. Taylor, of Dane Co. Mr. Vilas said that he had been called away by illness in his family, but expected to be present. As there were 106 present, 54 were still required to elect, and the Convention suspended proceedings under the call, by a vote of 64 to 32.

On motion of Mr. Sutherland, the Convention proceeded to the 7th ballot. There being no choice, Mr. Harvey moved to take the 8th ballot. Mr. Hull moved to adjourn and called for the ayes and noes. Mr. Bowen objected to the list being called, and the Convention refused to order them and refused to adjourn. The second ballot proceeded, and Mr. DURKEE receiving 54 votes was declared elected, the announcement being received with great applause. Just after the vote was announced, Mr. Falvey, of Racine, arose, greatly excited, and asked the President if he had announced a vote of 107. Being answered affirmatively, Mr. F. still excited, said that there were but 106 members present to vote. Being informed that Mr. Taylor, who was absent on the 7th ballot, was in his seat and voted on the 8th, he was satisfied.

The Convention was adjourned, and the adjournment of the House followed, *instanter*, the spirits of members being raised to boiling-over point. The Republicans were overjoyed with their success, and the Democrats took their defeat with good humor. The Republican vote was cast clear and full for Mr. Durkee, except Mr. Schrage's, who, after voting once for Mr. D. fell off on the successful ballot. Mr. McIndo and Mr. Cobb, who voted on the 7th for Chancellor Lathrop, came to us nobly on the 8th. Mr. Randall was with us *all* of the ballots. There was a merry circle gathered for a time around our old Nebraska friend Hull, who, after all his protestation, voted for Mr. Kilbourn, who says that he is decidedly *Anti* Nebraska!

The following was the vote on the decisive ballot, the 8th:

FOR CHARLES DURKEE.

So the work is done and another re-enforcement sent to the U. S. Senate. W. H. W.

New York Money Market.

The Bank statement for this week will, as we have been informed, show a further expansion of loans and discounts, and an increase (probably) of about $500,00 in specie:

The banks are loaning money at six per cent. on call, and the disposition to accommodate the mercantile community is equal to the amount of first-class bankable paper that is offering. The discount-brokers, consequently, are disposed to take lower rates. The market is, irregular, and we quote 7 to 10 per cent. for good bills.—[N. Y Eve Post, 27th.

AFRAID OF OLD NICK.—A woman in Ireland, refused to subscribe to the patriotic fund, saying, "What will become of me, if Nicholas conquers this country, and finds my name in the list of subscribers against him!"

Seeing Sebastopol.

The following is from a letter written on board the *Indiana*, and dated, "Before the French Camp, Crimea, Dec. 25, 1854:"

"The weather since we came in has been very disagreeable, nothing but gales of wind and rain, with a small amount of cold. Our ship, however, is in a very snug harbor; there are upwards of 400 ships of different classes in the same harbor; it is really a splendid sight. Skirting the harbor is the French camp. The French camp alone extends upwards of nine miles inland. Sebastopol lies about 11 miles from us. On the 23d our captain expressed a wish to see the camp, and off we went at about 9 o'clock in the morning.—After passing through the French camp, our desire to see the entrenchments became very great, so the captain went to the hut of the general (it is not a bit better than a hut, being built of mud) to ask permission; he very kindly granted it, finding we were English, and sent a guide with us. Traveling in these parts is very disagreeable the fields completely ploughed with shell and shot from the enemy.

At length we reached the trenches. It is really astonishing to see what an extraordinary amount of labor must be expended in throwing up these works; it is just like passing through a maze. During the first part of our journey through the trenches the heavy shot and shell flew over our heads almost like flocks of birds, but by our keeping close under the entrenchments we were toleably secure from harm. We at last halted, our guide told us we were then as near as it was prudent to go. We inquired how far we were from Sebastopol? He said nearly 400 yards. The captain said, 'Can we get any nearer?' He said, 'Yes, but if you get anything for your pains do not blame me.' We re-assured him on that point and on we went. We were not sorry we went, nor were we at all sorry to get clear of it. The position of our men in the entrenchment was fearful. We were compelled, for about half a mile, to almost crawl along through thick mud up to our knees. This trench was filled with riflemen, whose duties were to keep a sharp lookout, through very small crevices, for the purpose of picking off a poor Russian who chanced to show a head.

The Russians were carrying on the same sport with our men. One poor Frenchman on my left received a shot which killed him instantly, while another, within four feet of us, had one passed through his arm and side. We now began to think it time to retreat, but scarcely had we turned when a large shell fell into the trench, 39 feet in advance of us. We looked at each other with astonishment, afraid to make the enquiry who was hurt? The soldiers laughingly exclaimed, '*pa bon*," and returning an immediate answer, discharged three immense bombs, one of which took up its abode in one of the large houses in the town. We had a fine view of Sebastopol. I should have told you we were within 110 yards of the town when we turned back. The fields are completely black with the numbers of shell and sho from the enemy.

The sufferings our poor troops have to endure, and the difficulties they have to encounter, were indescribable. I assure you many of the officers have no better place to lie down in than what they make for themselves, and that is by digging a hole in the earth and roofing it with a few sticks they may change to pick up, from most of which they are compelled to bale out the water before they can lie down. Those in the trenches have the worst-berth. They are on duty twenty-four hours every third day; but it is the night they so much dread; it is during the darkness that the Russians make their fearful sorties. I assure you we can see from our ship's deck, fearfiring all through the night. On the night 20th, they made one of these sorties, in which we lost upwards of 100 men, besides a large number wounded. No one can form any idea, unless they visit the trenches of the dreadful nature of these sorties. The news that reaches us is anything but cheering, but our men have good pluck and steady courage, which is half the battle.

REVAMPING AN OLD FICTION.—The "Know-Nothing" *News* insists that in Wisconsin Republicanism is "the inseparable ally of Know-Nothingism." If so, the Republicans should be the best freinds and allies of the *News*, which we hardly think they are. The *News*, adds:

The effort of the friends of the order in our Legislature to defeat Senator McGarry's resolution instructing our Senators and Representatives in Congress to oppose a repeal of the present naturalization laws, by tacking to it an amendment instructing them to vote for a repeal of the fugitive slave law and oppose the admission of any more slave states, is indicative of the alliance of Abolitionism and Know Nothingism throughout the State.

It is a sufficient and conclusive answer to this silly fabrication, that *every* Republican member of the Legislature voted *in favor* of Mr. McGARRY's resolution?

MEETING AT BEAVER DAM.—A public meeting was held at Beaver Dam on the 25th ult., on the subject of the recent rescue trials in this city. Mr O. K. Cox was appointed Chairman, and C. C. JENUNG Secretary. Mr. E. C. HULL, of the Beaver Dam *Republican*, briefly stated the objects of the meeting, and remarks were made by Messrs. GENUNG, HADDOCK and others. Resolutions were adopted, expressive of the sympathy of the meeting for Messrs. BOOTH & RYECRAFT, denunciatory of the Fugitive Slave Act, "as one of the most odious and inhuman acts ever imposed on mankind," and approving of the rescue of Glover.—The meeting also resolved to contribute towards paying the unjust expenses to which the victims of that act have been subjected, and endorsed the vote of their Member of Assembly, Judge ROSE, on the proposition to prohibit the use of our State or County Jails, in enforcing the Fugitive Slave act.

The *Republican* publishes the proceedings of the meeting with the comment:

We have only to add, that we believe these men are convicted of what more than nine-tenths of the inhabitants of this State are extremely glad was done, and that being the case, we consider it but fair that the pecuniary loss which they are made to suffer on this account should be made up to them. The brief period of imprisonment imposed upon them they will have to endure, but instead of its being a stain upon their characters, it will be looked upon as one of the noblest acts of their lives.

The *News* of yesterday politely refers us to its columns for its opinions about Messrs. KILBOURN and DOTY. In the same breath it demands categorical replies to certain questions which it propounds to us, whether we supported Mr. DURKEE sincerely, how we like his election, &c., &c., for information on all which points we respectfully invite our contemporary to read *our* columns. As to its queries about Mr. TWEEDY, our neighbor may make sure of getting straight-forward and satisfactory answers by applying to that gentleman directly. We affectionately advise it to try.

TOUCHING.—The *Tobacco Plant*, (Va.) describes the death of a girl in Clarksville, by burning.—Her clothes took fire while she slept in a chair. Aroused, she ran towards her master's bed.—The editor says: "Mr. Watkins forced her out of the door, and threw her in a mud puddle, supposing that he would thus be enabled to extinguish the flames, but failed to do so. Her burns, as before stated, are very bad, and but little hope is entertained of her recovery. *She was one of the likeliest girls we ever saw, and would have sold for $1,000 on the block.*"

EXTENSION.—G. H. Stewart & Co., Proprietors of the Dodge County Woollen Mills, in this Village, have just completed a bargain with Alfred Loomis, Esq., for the immediate erection of an addition to their present Factory of another building the same size of the one they have. This building is to be completed in time for the spring clip, and will afford much needed facilities. The past season they have been utterly unable to do the business which has crowded upon them, and by means of this extension they are in hopes of being able to do all the business in their line with which they may be favored during the coming season.

Mr. Stewart goes east next month to purchase machinery to put into the new building.—[Beaver Dam Republican.

FRENCH SANG-FROID.—The Russians having abandoned the ground in front of the Quarantine Fort, occupied by a small village, the French soldiers hurried in to seize on all they could—vegetables from the gardens, articles of furniture, and even the doors and windows from the cottages. Gen. Bizot had six windows placed aside to serve in Gen. Canrobert's dining-room when erected. "All that," says a letter from a French officer, was done under a sharp fire of musketry; which, however, only wounded two men slightly. I saw Capt. de Marivault, of the navy, carrying away with the greatest precaution a window, which he protected with infinite address, with his body against the balls. Near him I saw an artilleryman gathering a salad in one of the gardens. A ball knocked out of his hands what he had collected.—Grumbling at being so treated, he again set about his work, and finished it without further molestation. Such examples of *sang froid* are by no means rare.—Letter from the Crimea.

AN ACT FOR THE PRESERVATION OF GAME.

The people of the State of Wisconsin represented in Senate and Assembly, do enact as follows:

SECTION 1. No person or persons shall kill, destroy, or take, or pursue with intent to kill, destroy, or take by any device, contrivance, or means whatsoever, any woodcock, between the first day of March and the first Tuesday of July; or any grouse, prairie hen, or chicken, between the first day of January and the 15th day of July, or any partridge between the first day of February and the first Tuesday in September; or any quail between the first day of February, and the first Tuesday in October in each and every year. And no person shall at any time, take or catch, by means of any trap or snare of any description, any quails, grouse, prairie hen or chicken, except upon his own premises.

SEC. 2. Every person or persons who shall expose for sale any woodcock, grouse, prairie hen or chicken, partridge, or quail, or shall have either or any of said birds in his, her, or their possession, or custody, which shall have been taken during the time when the killing or taking of the same is prohibited by this act, shall be deemed guilty of killing the same within the meaning of the first section of this act, and be liable to the penalty or penalties hereinafter provided.

SEC. 3. Every person offending against the provisions of this act, or either of them, shall be subject to a penalty of five dollars and costs of suit, for each and every grouse, prairie hen or chicken, and two dollars for each and every woodcock or quail, whereof he, she, or they shall be convicted of having taken, killed or destroyed, or pursued with intent to take, kill, or destroy, or have had in possession within the meaning of this act, which penalty or penalties may be sued for and recovered in the name of the State of Wisconsin, before any justice of the peace of the county in which the offence shall have been committed, which suit shall be commenced and carried on in the same manner as prosecutions for other misdemeanors are. The provisions of this bill shall not be construed to include any Indians located within the limits of this State.

SEC. 4. An act to prevent the killing of game therein mentioned, in certain seasons of the year, approved March 15th, 1851, and all other acts contravening the provisions of this act are hereby repealed.

Approved, March 14, 1853.

The Illinois Railroads.

The Michigan Central and Michigan Southern Railroads are running on time.

The train on the Galena road came in last evening from the west, and the regular train for the west will start on time this morning.

The Aurora road is still blocked up by the snow.

The Rock Island train from the west had passed Joliet last evening, and was expected in here last night. It was expected the regular train for the west would start this morning.

The Chicago and Mississippi road is still blocked up.

The Dixon Air Line is also blocked up.—(Chicago Dem. Feb 2.

FROM SPRINGFIELD.—In addition to the dispatch from Springfield which we publish this morning, we learn from private sources, that the two houses assembled yesterday in Joint Convention for the election of a United States Senator, but there not being a quorum present the Convention adjourned over until to-day. An effort was being made (by whom or on what grounds not stated) to prevent another meeting of the Joint Convention, but there was no probability that it would prove successful.

Up to 3 o'clock yesterday afternoon there had been no arrival of railroad trains on any of the Roads. Such members as had come in did so by private conveyance. The Northern members reached Bloomington on Tuesday, where they procured sleighs and started in them for Springfield. They probably reached there yesterday, and will be on hand to take a part in the Joint Convention to-day. It was thought at Springfield yesterday that trains from the north could not reach there before Saturday. There are *seventeen* locomotives frozen in the snow drifts on the Chicago and Mississippi road.—[Chicago Dem. Press, Feb. 2.

The Operations of a Brutal Law.

As will be seen by articles which we copy from the Milwaukee papers, S. M. Booth and Ryecraft are now in jail in that city in conformity with a sentence passed upon them by Judge Miller for violating the provisions of the Fugitive Slave Law. The circumstances of their trial and conviction have been given. Altho' they stand upon the records of a disreputable, and as all believe, unjust court, as criminals, yet they stand before high Heaven and the tribunal of the people of the free States as guilty of no crime. They have done nothing, which, in the sight of God or civilized man, should subject them to this punishment. They have done nothing which the dictates of humanity do not require and right justice demand. Then why should they suffer? Their suffering is but a part of the operation of one of the most barbarous enactments that ever was allowed to blacken the statutes of a civilized nation. Where-ever humanity has a voice free to speak, or right and justice an arm to lift, this tragedy in the history of unrighteousness will receive merited censure and rebuke. The demand will now go up to our National Halls with renewed vigor, for the repeal of this brutal law.[—Fond du Lac Herald.

LUMBERING.—For a week past, we have had most excellent sleighing, there being some eight inches of snow. The Pineries are now alive with the woodmen's axe and the teamster's song, and the partial set back of the first of the month, will soon be more than made up by the drive-ahead Lumbermen. There is a stronger force of men and teams in the Pineries of Wolf River and its branches than formerly, and the present prospects are, that more business will be done than in any previous year. One man alone, has a sufficient force to get out 3,000,000 feet of Logs. We believe the lumbermen on Green Bay are also doing a heavy business this winter.—[Appleton Crescent, Jan. 27.

A SENSIBLE MOVE.—The present managers of the Valley R. R., finding it impossible to extricate the enterprise from the embarrassment caused by the extravagance and folly of its former managers, have finally come to the conclusion that the only way to place it on a go-a-head basis, was, to let it be sold on the Mortgages. It has accordingly been advertised and will be sold on the 24th of March next.—[Fond du Lac Herald.

A NEW POST MASTER.—Capt. Lion Silverman has been appointed Post Master of the Ozaukee Post Office. S. A. White, Esq., has been our Post Master for the past two years, and as such officer has given general satisfaction. He resigned some three months since in favor of Milo M. Whedon, a gentleman well liked in the community in which he resides, and every way qualified to fill an office of that kind. A petition was circulated recommending Mr. Whedon's appointment, and was signed by a majority of our citizens. On the petition might have been seen the name of Lion Silverman. Notwithstanding all this, the Capt. is appointed, to the utter astonishment of the whole community, likewise himself.

We believe the Captain will make a first rate Post Master, and he has our best wishes for his future success.—[Ozaukee Advertiser.

ANOTHER FIRE IN GRAFTON.—The store owned by J. T. Adriance, and occupied by James M. Houston for the Dry Goods and Grocery business, situated on the corner of Milwaukee and Mill streets, took fire during the storm on Sunday the 21st ult., at about eight o'clock A. M. By prompt exertion and with great difficulty, the goods were saved. Amount of loss or insurance not known.—[Ozaukee Advertiser.

A correspondent of the *Musical Gazette*, New York—whom we take to be OLIVER DYER—pays the following well deserved compliment to the musical talent and possessions of Buffalo:

Musically considered, I think Buffalo is the leading inland city of the Union.—[Buffalo Express.

Mr. Dyer should extend his travels West.—When Buffalo can match Milwaukee in "musical talent and possessions," it will have something to brag off.

EFFECTS OF THE EASTERN WAR.—A New York correspondent writes:

"Several of the butchers in this city are engaged in filling large orders for beef on account of the British Government. The wants of the allies also begin to benefit our shipping houses. The French Government have just taken up the clipper ship White Squall, about 1300 tons burthen, to carry provisions to the Black Sea. The terms of the charter are £1 per ton a month, with port charges paid."

Consolidation.

We learn that a consolidation of the following water Transportation Lines has been effected by the parties in interest, to go into effect, we presume, upon the opening of navigation:

Merchants Transit Company.
Western Lake Boat Line.
Clinton Line.
Western States Line.
New York and Cincinnati Line.
Troy and Erie Line.
New York and Western Line.
American Transportation Company.—[Chicago Dem Press Feb 1st

LARGE SALE OF SLAVES.—A few days ago 113 slaves were sold at New Orleans for $86 395, which gives an average of $762 50 each.

SCARCITY OF WHEAT IN KENTUCKY.—One of the Louisville millers has gone to St. Louis to purchase wheat, on account of the scarcity of the article in Kentucky.

Police Court—Feb. 2.

BEFORE CLINTON WALWORTH ESQ. POLICE JUSTICE.

A warrant was issued against Robert Corbit, charging him with assault and battery upon John S. Newcomb on the 1st, Feb.

The warrant was returned in the afternoon without service and the fees paid.

The officer Lienhart, who held the warrant against Michael Dwyer, stated in Court that he attempted to arrest the defendant, but was resisted, being struck several times by the defendant, and that he called upon several men near him in the name of the State, but they refused to assist him. We understand the case will be bro't before the Grand Jury.

A woman named Hannah Whittaker, with her face badly bruised and one eye beaten to a mummy, came in and obtained two warrants against George Whittaker, her husband, for beating her and for threatening to kill her. The woman stated that her husband was in the habit of beating her and had taken a stick to bed with him, and that he jumped out of bed, knocked her down and beat her with the stick. The warrants were given to the City Marshal who proceeded to serve them, and with the help of officer Sifert, lodged Whittaker in jail.

THE SIDE-WALKS—THE CROSSINGS.—An old settler, who quite approves of the City Marshal's determination to enforce the Ordinance, in regard to cleaning the side-walks of snow, ice, or other obstructions, desires us to remind that Officer and other functionaries, that the corners of lots and the crossings belong to the city to clean, and that the City Fathers ought in this, as in other respects, to set a good example to their children. If they neglect to do so, he begs the Marshal to invite them up to the Chancellor's Office to "settle."

CIRCUIT COURT.—The Circuit Court, Judge HUBBELL presiding, will commence its February Term on Monday week, on which day the Grand Jury are summoned to appear. Reporters have never been denied admission to this court, nor expelled from its bar; but have been laid under many obligations to the Judge and Clerk for their kindness. We believe it has no *imported lion* to growl at, or charge wilful falsehood in open court upon any one, earning a livelihood in an *honest* pursuit.

COUNTY COURT.—The County Court commences on Monday. Now that a U. S. Senator is elected we presume that its chief and other officers will be present.

THE TRAINS.—The train which left here yesterday morning could'nt more than reach Madison by night. The train which left Madison coming east arived at a few minutes past eight last night. Both trains were obstructed by the snow, the worst part of the road appears to be near North Prairie Station, the snow having completely filled the cut on the edge of the prairie. Passengers report that things looked rather *sad* for getting along to-day.

ASHES ON THE SIDEWALKS.—All citizens who are disposed to benefit the public may do so materially, by scatering ashes on the now slippery sidewalks. Many accidents will be prevented by performing this charitable act.

BADGER QUADRILLE PARTIES.—Treat's Hall was well filled last evening by the members of this party, about 70 couples being present—dancing was kept up till a late hour. The music was excellent, by Sargeants Band.

For the Sentinel.

A Hint to the Marshal.

MESSRS. EDITORS:—I am glad to see the City Marshal so prompt in enforcing the side-walk and other Ordinances, on the east side of the river. Please say to him, that we, in the Fifth Ward, would be glad to have him give us a call, as we have almost forgotton about the ordinances.

WALKER'S POINT.

February. 2, 1855.

Deaths of two Clergymen.

CHARLOTTE, N. C., Jan. 25.

The Rev. Cyrus Johnson, D. D., of this town, died very suddenly of appoplexy, this morning, in an omnibus, whilst going to the railroad depot. He was on his way to Fort Mills, for the purpose of marrying a gentleman and lady this evening. He was the second clergyman who had been engaged to perform the ceremony. The Rev. A. S. Watts, who had been engaged for the same purpose, died on the day appointed for the wedding. Dr. Johnson will be buried to-morrow.—[Columbia S. C. Times.

Knaves and Dupes.

A correspondent cuts the following from another paper, and asks us to state that there is no such man as 'S. B. Gets,' at Windsor, Vt., and that the advertisement is intended to cover and promote a game of swindling:

1000 AGENTS WANTED—To canvass for a new book, now being published in New York.—Agents will be paid their board and traveling expenses, and from $100 to $150 per month, paid monthly in advance. As we receive hundreds of letters from those who have no intention of acting as agents, all letters, in order to be noticed, must inclose $1, and, if for any reason the applicant is not engaged, it will be returned. Address, post paid, S. B. GETS, Windsor, Vt.

Having now gratified our correspondent, we tell him our mutual labor is lost, and the exposure is utterly worthless. True, we may stop a few geese from sending their several dollars to this 'S. B. Gets,' but that will be but a momentary benefit. If any one who is fool enough to be taken in by such an advertisement is able to command a dollar, (rather an unlikely supposition,) he will find some watch-auction, or dropped pocket-book, or Gift Ticket swindle, on which to disburse it, if we keep him out of the clutches of Mr. S. B. Gets, who 'gets' very little by his dollar-trap except from born naturals.—Solomon summed up the case of Mr. Gets's customers when he said, "Though you bray a fool in a mortar, yet will not his foolishness depart from him."—however it may be with his dollars. We labor to supply the reading public with intelligence; for those who are utterly devoid of gumption we can do very little. They belong to the parish of Mr. S. B. Gets.—[N. Y. Tribune.

THE LATE K. N. CONVENTION.—Among the national movements recommended by the late Know-Nothing Convention in Odd Fellows Hall, the only ones that have leaked out are these:—The motto "E. Pluribus Unum" on the Federal Coat of Arms is to be translated into the singular "I'm one of 'em, *I am*:" the Phrygian cap, upheld by the woman who sits for the Genius of Liberty on the national coins, is to be supplanted by a Georgia palmetto; and the stars, "which are the poetry of heaven," and consequently flat-footed foreigners, now and forever, are to be left off altogether. There is also to be an inquiry into the expediency of abolishing the English language, which is proved out of its own mouth to be of foreign extraction, the only point of disagreement being on the article to take its place—some going for Hindoo, some for the euphonious Pottawattomie, others for the poetical Choctaw, while the more liberal are willing to compromise upon the classical cipher in which the Order is printed—a sort of provincial Welsh, with the vowels left out.—[N. Y. Tribune.

The following is an extract from the American Railroad *Journal*, dated May 19th, 1832. —"Yesterday morning the passengers on the Mohawk and Hudson Railroad—sixteen miles in length—were brought down the inclined plane to Franklin street, Albany. The English engine is doing all the business; the American has not been used, but will be in a few days. The passengers are taken across for sixty-two and one half cents each, and they average four or five hundred a day."

Clemency Refused.

Prior to his departure for England, Lord Elgin ordered letters of pardon to be issued to the unfortunate petitioners for annexation to the United States. The letters assume that the sentiment which gave rise to that position no longer exists in Canada. Whether it does or not may be inferred from the following letter which one of the pardoned publishes in *Le Moniteur Canadian* in reply to an invitation to resume his station in the militia:

"MONTREAL, Monday, Jan. 15, 1855.

"SIR:—In reply to your note of the 9th, I have the honor to inform you on my part, that my opinions, with regard to the annexation of Canada to the United States, are unchanged, that I desire the accomplishment of this as soon as possible, and as I have no intention of serving her most gracious and most excellent Majesty in case of rupture with our neighbors, either as officer or private, I beg you to be so kind as to accept my resignation, and erase my name from the list of the faithful and loyal subjects of her Majesty.

"Receive, Monsieur, the assurance of my distinguished consideration.

"G. HYPOLITE CHERRIER."

SENTENCED.—Judge Miller refused to grant a new trial, to Booth, notwithstanding it was proved that two of the jurors who pronounced him guilty had previous to the trial, declared in the strongest terms that he "ought to be convicted." Booth is sentenced to one months imprisonment, and fined $1 000. Rycraft, also convicted of participating in the rescue, is sentenced to ten days' imprisonment and find $200. This entire trial and sentence has been a farce, that future generations will blush to trace upon the pages of the history of our State.—[Mineral Point Tribune.

A WONDERFUL DISCOVERY has recently been made by Dr Curtis, of this city, in the treatment of Consumption, Asthma and all diseases of the lungs. We refer to "Dr. Curtis's Hygeana, or Inhaling Hygean Vapor and Cherry Syrup." With this new method Dr. C has restored many afflicted ones to perfect health; as an evidence of which, he has innumerable certificates. Speaking of the treatment a physician remarks:—"It is evident that inhaling—constantly breathing an agreeable, healing vapor, the medicinal properties must come in direct contact with the whole of the aerial cavity of the lungs, and thus escape the many and varied changes produced upon them when introduced into the stomach, and subjected to the process of digestion. The Hygeana is for sale at all the druggists throughout the country.—*New York Dutchman, Jan. 14th.*

A Wholesome Thought.

"Bring hither the poor, the maimed, the halt, and the blind," if you would have them healed of their many infirmities. We boldly and fearlessly assert that the Mustang Liniment will positively cure Rheumatism. Let any who are afflicted with that most painful complaint try it thoroughly, according to the directions, and if they are not cured, we will give them their money back. What more can we say? It will also cure the Piles. Thousands have tried it, and all were cured. Bruises, Sprains, Sores, or Eruptions fade away as if touched by the magicians wand. Its application to Burn or Scald acts like "oil upon the troubled waters." The tempest of pain and agony is soon stilled, and the patient is hushed to quiet and peaceful slumbers. "There is a balm for every wound," and that balm is the Mustang Liniment. Everybody that sells medicines keeps it for sale. "Hold your Horses!"—and if they are crippled, galled or sprained, use the Mustang Liniment.

The advantages offered by this Company are many, and the public are invited to call upon the Agent and make themselves acquainted with the System adopted by the Company, when they will be better able to decide whether Life Insurance is desirable or not, and at what Office it is their interest to insure.

The many reasons why Fire and Marine Insurance should be adopted, are incontrovertible; and Life Insurance, while it in no way interferes with, or undervalues these important institutions, has claims which no other system of insurance can have. Human existence must on consideration, enjoy a much higher estimate than worldly property.

While the representative of a family lives, (although, through neglect to insure his *property*, he becomes bankrupt,) he supports his *family*; but at his *death*, dies also their means of support, unless he has saved them from want by an insurance on his life, which may be done by the payment of a small annual premium, the payment of which has not diminished his own worldly comfort during life.

If young, the annual payment will be light, and if insured with profits, the policy will be constantly growing more valuable, though the *premium* is not increased.

Clergymen and others who have a stated and regular income, *should insure*, well knowing that, at their death their families may be left destitute,

Men engaged in mercantile or manufacturing pursuits ever varying and uncertain their issues, *should insure*.

The farmer who has still a mortgage on his farm, *should insure*, at least to the extent of it, thereby enabling his family to pay off the debt in case of his death.

Personally appeared THOMAS A. ALEXANDER, Secretary of the Ætna Insurance Company, and made oath that the foregoing statement, by him subscribed, is true according to his best knowledge and belief.

HENRY FOWLER, Justice of the Peace.

All that have property to Insure, will please inspect and scrutinize the preceding reliable expose of this old and long tried Corporation. For usefulness, security and promptitude, it has ever stood first in its line of transactions—and for ability and means will attract the attention of the insuring public to confirm their confidence in it. The statement is so prepared any one can contrast its condition with local and State Insurance offices, if so disposed. Its investments are of that solid character as not to be materially affected by the late depression in that class of assets.

The increase of its capital stock to $500,000, is a bona fide investment for the pledge and security of its policies.

The necessity and real benefits of insurance are well exemplified in the fact the company has paid cash losses during the past year, at its Western Branch office alone, in Cincinnati, to the sum of $245,500 66, most of which has been paid considerably in advance of the time legally due, and it has had no suit or litigation. If all or any of these facts are inducements to the continuance of its valuable patronage, or its increase, they will find its agents ever ready to attend to the demands of business as heretofore, with promptitude, at as favorable rates and terms as security to all permits.

Mr. Durkee Elected Senator!

A telegraph despatch from Janesville, received at the Sentinel Office yesterday morning, brought the welcome intelligence of the election of CHARLES DURKEE, as U. S. Senator from Wisconsin, for six years from the 4th of March next. The train from Madison yesterday ought to have brought us the full details of the election, but up to 8 o'clock last evening, it had not arrived, nor was the cause of this detention accounted. For the present therefore, we must be content with knowing that the Senatorial struggle at Madison has resulted auspiciously and that an honest man and thorough Republican is elected to represent the State of Wisconsin in the National Council Chamber.

Mr DURKEE has twice represented this District in Congress. He is not a man of shining talents, but of solid and sterling qualities, approved integrity and true principles. We hail his election as a signal triumph for Right, Humanity and Freedom!

P. S. The Madison train arrived at 8½ P. M. See letter for details of the election.

SENATOR SEWARD RENOMINATED.—We learn with unmingled satisfaction that the Whigs of the N. Y. Legislature, at their caucus Thursday night, unanimously renominated WILLIAM H. SEWARD for re-election as United States Senator from New York. Seventeen out of 32 Senators and 63 out of 128 Assemblymen were present and voting at the caucus. The election takes place on Tuesday next. The entire North West will rejoice in the re-election of so true and tried a friend of Freedom, Popular Rights and Western interests, as WILLIAM H. SEWARD has on all occasions shown himself to be.

Rather Sharp Practice.

A few days since a joint resolution passed the Assembly, almost unanimously, directing the Treasurer to withhold the annual appropriation of $3 000 to the State Agricultural Society—liable to be drawn after the 1st of February in each year—until the further order of the Legislature. The resolution went to the Senate and on Wednesday, the 31st ult, being the last day left to stop the appropriation a motion was made to call it up, when behold! the resolution was *missing*. Mr GILLIS, of Dane County, immediately offered a transcript from the journal, of the original resolution, and moved to suspend the rules to take it up, but the motion failed, there being 15 yeas to 8 nays—lacking *one* vote of the necessary two-thirds. The next day, Thursday, the missing resolution was found and forthwith *passed*; but the money had already been drawn! We call that exceedingly sharp practice.

Let us say, in all frankness, to the Officers of the State Agricultural Society, that the very best thing they can do with the $3,000 thus obtained is to pay it right back into the State Treasury. We do not know what reasons influenced the Legislature in passing the joint resolution to withhold the appropriation, but it is enough for the Society to know that the Legislature wished the money kept back until their further order. A "grab game," on the part of our Agricultural Society, is not only unworthy of them, but ungrateful to the State. Gentlemen! pay back the money, and then make a frank and fair appeal to the Legislature to vote you the appropriation, as heretofore.

A WANTON FABRICATION.—The *News* of Wednesday last, in an article headed the "reign of terror," referring to the proceedings in and around the County Jail, on Monday last, when Messrs BOOTH & RYCRAFT were escorted to the cars by a multitude of our citizens, makes this charge against the people of Milwaukee:

The conduct of the crowd at the jail—or, more properly, of the leader of it—was marked with a feature of cold-blooded atrocity at which even savages might cry shame.

The specification is, that a son of Dr. TRACY who lives immediately north of the jail, had died very suddenly that morning; that the bereaved family were disturbed, in their deep sorrow, "by a din of yells, music and firing of cannon, immediately at their door, which would have disgraced a tribe of Hottentots," that Dr. Tracy came out and stated the circumstances, begging the crowd to desist, "at least from firing the cannon," but that, and we here quote the language of the *News*.

Without even the respect which brute animals instinctively pay to the presence of the dead, the request was not complied with—the carnival of barbarism suffered no abatement until the performers took up their line of march through the streets.

The "performers" in question included from one to two thousand of our fellow citizens; men of all ranks, parties and pursuits. The "leader." by whom we suppose the *News* means the Marshal, was Dr. E. B. WOLCOTT; a man, "take him for all in all," who has not his superior in this city. It is hardly necessary to add that the charge, as to him, and the "crowd" generally, is utterly and maliciously false. Dr. WOLCOTT informs us that he never heard of the circumstance mentioned by the *News*, and we are quite sure that there was not a "Hottentot" in that whole "crowd," who would not instantly have desisted from all noisy demonstrations of joy, at the release of the prisoners, had he known of the sad bereavement under which the family of a fellow citizen, living close to the jail, was then suffering.

GALT HOUSE, AT LOUISVILLE, BURNED.—We infer from the following private despatch, received yesterday from our fellow-citizen, Geo. D. DOUSMAN, now on a visit to Louisville with some members of his family that the Galt House in that city, kept by Col. PRATT, was destroyed, or badly damaged by fire Thursday night:

LOUISVILLE, Feb. 21.

Galt House took fire last night. We are all safe. G. D. DOUSMAN.

The Springfield *Republican* credits Marshal Ney with the saying—"It is not enough to shoot a Russian soldier you must push him over."—The Russians at Sebastopol have sustained their ancient reputation for immobility and dogged bravery. They have neither agility, nor strategy but in strength and unyielding resolution, they are hard to beat, as the allies have found.

NEW OCEAN STEAMER.—A new steamer for New York and Havre Line, called the *Arago*, has been launched at New York. She cost $450,000, is 2250 tons register, 10 feet length of keel, 40 feet 6 inches breadth, and 31 feet 6 inches depth depth of hold.

DEATH OF MISS MITFORD.—The steamer *Pacific* brings intelligence of the death of Mary Russel Mitford, the favorite and gifted author. The sad event took place in the village of Shallowfield, on the 10th ult. She was born in 1789.

THE GAME LAW.—In another place we have published the Game Law as it is now. It will be seen that its provisions are stringent, and that a violation subjects the party to a penalty of $5,00, and costs of suit, and to a penalty of $2,00 for every bird in their possession that was killed after the time specified in the law.

SENATOR HARVEY, OF ROCK COUNTY.—The Cleveland *Herald* of the 29th ult. says:

The many friends of L. P. HARVEY, Esq., heretofore, will be gratified to learn that the name of that gentleman holds a prominent place among the candidates before the Wisconsin Legislature for United States Senator, and that his chances are more than probable. If Mr. H. goes to the Senate, Wisconsin will never have cause to regret it, for he has been a worthy, honest man, "from his youth up."

From Madison.

EDITORIAL CORRESPONDENCE OF THE SENTINEL.

Mr. Durkee Elected Senator.

MADISON, Feb. 1, 1855.

Keep cool! I will come to the matter of U. S. Senator by-and-bye.

In Senate, the following petitions were presented:

By Mr. Cobb, 2 for ferries across the Wisconsin River.

By Mr. Loy, for repeal of law organizing Oconto county.

Accounts of Pyncheon and Irgham.

The following bills were presented:

By Mr. Howell, to change the time of holding Circuit Court in Jefferson county.

By Mr. Wakeley, to enable assignees of choses in action to bring suits

A message from the Governor came in covering the Report of the State Agricultural Society.

No action was had on the M. M. & R R. question, progress—and slow progress only—being reported by the Chairman of the Committee of the Whole. The money to the State Agricultural Society has *not* been drawn—there being none in the Treasury.

In Assembly, in the morning, the following petitions, &c., were presented:

By Mr. Davis, the account of the Sheriff of Sauk County.

By Mr. Bennett, in favor of a general tax law.

By Mr. Adams, for the repeal of the School law of last session.

RESOLUTIONS:

By Mr. Hull, to pay $500 on salary of Chief Clerk—adopted.

By Mr. Van Norstrand, granting use of the Hall to State Medical Society for this county—adopted.

By Mr. P. H. Smith, withholding appropriation from the State Ag'l Society—adopted.

By Mr. Randall, for investigating by a joint select committee, the whole matter of the State Lunatic Asylum contract, prices, bids, &c., &c., covering every contingency—adopted.

Bills introduced:

By Mr. Randall, amending Sec. 26 and 27 of C. 127 R. S.

By Mr. Downs, amending the school law.

By Mr. White, amending the act amending chap. 162, laws of '51.

By Mr. Isham appropriating $1,500 to Deaf and Dumb Asylum for shops, and $6000 for support for 1855.

By Mr. Ebbetts, authorizig special tax, in shool district No. 1, Fond du Lac.

By Mr. Bennett, authorizing Manitowoc Co. to erect county buildings.

By Mr. Rood, for a state road.

By Mr. Ebbetts, charter of Fond du Lac Gas Co.

By Mr. Whirry, to repeal chap. 84, local laws of '54.

The list of bills passed in both Houses, you have already.

On motion of Mr. Cross, the House adj. to 10 minutes to 3 P.M.

On meeting at that time, Mr. Van Nostrand got the floor, and after recalling to the memory of members the fact that the first resolution withholding the $3000 from the State Agricultural Society had been lost before reaching the Senate, he stated that the Senate Clerk started to report the passage of the second resolution to the Assembly, but it did not reach this House. He moved, and the House agreed to the appointment of a joint select committee to investigate the matter.

Mr. Hull introduced a bill to amend the act relative to appeal by certiorari from Justice's Courts.

Mr. Delany offered a resolution directing the equal distribution of public documents in members' boxes.

Joint Convention, 3 P. M.

The Senate entered and took the seats prepared, the galleries and lobby being crowded again, and quite a number of ladies on the floor of the Hall.

Mr. Ebbetts moved a call of the House. The call being made, all were found present except W. R. Taylor, of Dane Co. Mr. Vilas said that he had been called away by illness in his family, but expected to be present. As there were 106 present, 54 were still required to elect, and the Convention suspended proceedings under the call, by a vote of 64 to 32.

On motion of Mr. Sutherland, the Convention proceeded to the 7th ballot. There being no choice, Mr. Harvey moved to take the 8th ballot. Mr. Hull moved to adjourn and called for the ayes and noes. Mr. Bowen objected to the list being called, and the Convention refused to order them and *refused* to adjourn. The second ballot proceeded, and Mr. DURKEE receiving 54 votes was declared elected, the announcement being received with great applause. Just after the vote was announced, Mr. Falvey, of Racine, arose, greatly excited, and asked the President if he had announced a vote of 107. Being answered affirmatively, Mr. F. still excited, said that there were but 106 members present to vote. Being informed that Mr. Taylor, who was absent on the 7th ballot, was in his seat and voted on the 8th, he was satisfied.

The Convention was adjourned, and the adjournment of the House followed, *instanter*, the spirits of members being raised to boiling-over point. The Republicans were overjoyed with their success, and the Democrats took their defeat with good humor The Republican vote was cast clear and full for Mr. Durkee, except Mr. Schrage's, who, after voting once for Mr. D. fell off on the successful ballot. Mr. McIndo and Mr. Cobb, who voted on the 7th for Chancellor Lathrop, came to us nobly on the 8th. Mr. Randall was with us *all* of the ballots. There was a merry circle gathered for a time around our old Nebraska friend Hull, who, after all his protestation, voted for Mr. Kilbourn, who says that he is decidedly *Anti* Nebraska!

The following was the vote on the decisive ballot, the 8th:

FOR CHARLES DURKEE.

New York Money Market.

The Bank statement for this week will, as we have been informed, show a further expansion of loans and discounts, and an increase (probably) of about $500,00 in specie:

The banks are loaning money at six per cent. on call, and the disposition to accommodate the mercantile community is equal to the amount of first-class bankable paper that is offering. The discount-brokers, consequently, are disposed to take lower rates. The market is, irregular, and we quote 7 to 10 per cent. for good bills.—[N. Y Eve Post, 27th.

AFRAID OF OLD NICK.—A woman in Ireland, refused to subscribe to the patriotic fund, saying, "What will become of me, if Nicholas conquers this country, and finds my name in the list of subscribers against him!"

Seeing Sebastopol.

The following is from a letter written on board the *Indiana*, and dated. "Before the French Camp, Crimea, Dec. 25, 1854:"

"The weather since we came in has been very disagreeable, nothing but gales of wind and rain, with a small amount of cold. Our ship, however, is in a very snug harbor; there are upwards of 400 ships of different classes in the same harbor; it is really a splendid sight. Skirting the harbor is the French camp. The French camp alone extends upwards of nine miles inland. Sebastopol lies about 11 miles from us. On the 23d our captain expressed a wish to see the camp, and off we went at about 9 o'clock in the morning.—After passing through the French camp, our desire to see the entrenchments became very great, so the captain went to the hut of the general (it is not a bit better than a hut, being built of mud) to ask permission; he very kindly granted it, finding we were English, and sent a guide with us. Traveling in these parts is very disagreeable the fields completely ploughed with shell and shot from the enemy.

At length we reached the trenches. It is really astonishing to see what an extraordinary amount of labor must be expended in throwing up these works; it is just like passing through a maze. During the first part of our journey through the trenches the heavy shot and shell flew over our heads almost like flocks of birds, but by our keeping close under the entrenchments we were tolerably secure from harm. We at last halted, our guide told us we were then as near as it was prudent to go. We inquired how far we were from Sebastopol? He said nearly 400 yards. The captain said, 'Can we get any nearer?' He said, 'Yes, but if you get anything for your pains do not blame me.' We re-assured him on that point and on we went. We were not sorry we went, nor were we at all sorry to get clear of it. The position of our men in the entrenchment was fearful. We were compelled, for about half a mile, to almost crawl along through thick mud up to our knees. This trench was filled with riflemen, whose duties were to keep a sharp lookout, through very small crevices, for the purpose of picking off a poor Russian who chanced to show a head.

The Russians were carrying on the same sport with our men. One poor Frenchman on my left received a shot which killed him instantly, while another, within four feet of us, had one passed through his arm and side. We now began to think it time to retreat, but scarcely had we turned when a large shell fell into the trench, 39 feet in advance of us. We looked at each other with astonishment, afraid to make the enquiry who was hurt? The soldiers laughingly exclaimed, '*pa bon*,' and returning an immediate answer, discharged three immense bombs, one of which took up its abode in one of the large houses in the town. We had a fine view of Sebastopol. I should have told you we were within 110 yards of the town when we turned back. The fields are completely black with the numbers of shell and shot from the enemy.

The sufferings our poor troops have to endure, and the difficulties they have to encounter, were indescribable. I assure you many of the officers have no better place to lie down in than what they make for themselves, and that is by digging a hole in the earth and roofing it with a few sticks they may change to pick up, from most of which they are compelled to bale out the water before they can lie down. Those in the trenches have the worst-berth. They are on duty twenty-four hours every third day; but it is the night they so much dread; it is during the darkness that the Russians make their fearful sorties. I assure you we can see from our ship's deck, fearfiring all through the night. On the night 20th, they made one of these sorties, in which we lost upwards of 100 men, besides a large number wounded. No one can form any idea, unless they visit the trenches of the dreadful nature of these sorties. The news that reaches us is anything but cheering, but our men have good pluck and steady courage, which is half the battle.

REVAMPING AN OLD FICTION.—The "Know-Nothing" *News* insists that in Wisconsin Republicanism is "the inseparable ally of Know-Nothingism." If so, the Republicans should be the best freinds and allies of the *News*, which we hardly think they are. The *News*, adds:

The effort of the friends of the order in our Legislature to defeat Senator McGarry's resolution instructing our Senators and Representatives in Congress to oppose a repeal of the present naturalization laws, by tacking to it an amendment instructing them to vote for a repeal of the fugitive slave law and oppose the admission of any more slave states, is indicative of the alliance of Abolitionism and Know Nothingism throughout the State.

It is a sufficient and conclusive answer to this silly fabrication, that *every* Republican member of the Legislature voted *in favor* of Mr. McGARRY's resolution?

MEETING AT BEAVER DAM.—A public meeting was held at Beaver Dam on the 25th ult., on the subject of the recent rescue trials in this city. Mr O. K. COE was appointed Chairman, and C. C. GENUNG Secretary. Mr. E. C. HULL, of the Beaver Dam *Republican*, briefly stated the objects of the meeting, and remarks were made by Messrs. GENUNG, HADDOCK and others. Resolutions were adopted, expressive of the sympathy of the meeting for Messrs. BOOTH & RYECRAFT, denunciatory of the Fugitive Slave Act, "as one of the most odious and inhuman acts ever imposed on mankind," and approving of the rescue of Glover.—The meeting also resolved to contribute towards paying the unjust expenses to which the victims of that act have been subjected, and endorsed the vote of their Member of Assembly, Judge ROSE, on the proposition to prohibit the use of our State or County Jails, in enforcing the Fugitive Slave act.

The *Republican* publishes the proceedings of the meeting with the comment;

We have only to add, that we believe these men are convicted of what more than nine-tenths of the inhabitants of this State are extremely glad was done, and that being the case, we consider it but fair that the pecuniary loss which they are made to suffer on this account should be made up to them. The brief period of imprisonment imposed upon them they will have to endure, but instead of its being a stain upon their characters, it will be looked upon as one of the noblest acts of their lives.

☞ The *News* of yesterday politely refers us to its columns for its opinions about Messrs. KILBOURN and DOTY. In the same breath it demands categorical replies to certain questions which it propounds to us, whether we supported Mr. DURKEE sincerely, how we like his election, &c., &c., for information on all which points we respectfully invite our contemporary to read our columns. As to its queries about Mr. TWEEDY, our neighbor may make sure of getting straight-forward and satisfactory answers by applying to that gentleman directly. We affectionately advise it to try.

TOUCHING.—The *Tobacco Plant*, (Va.) describes the death of a girl in Clarksville, by burning.—Her clothes took fire while she slept in a chair. Aroused, she ran towards her master's bed.—The editor says: "Mr. Watkins forced her out of the door, and threw her in a mud puddle, supposing that he would thus be enabled to extinguish the flames, but failed to do so. Her burns, as before stated, are very bad, and but little hope is entertained of her recoveresy. *She was one of the likeliest girls we ever saw, and would have sold for $1,000 on the block.*"

EXTENSION.—G. H. Stewart & Co., Proprietors of the Dodge County Woollen Mills, in this Village, have just completed a bargain with Alfred Loomis, Esq., for the immediate erection of an addition to their present Factory of another building the same size of the one they have. This building is to be completed in time for the spring clip, and will afford much needed facilities. The past season they have been utterly unable to do the business which has crowded upon them, and by means of this extension they are in hopes of being able to do all the business in their line with which they may be favored during the coming season.

Mr. Stewart goes east next month to purchase machinery to put into the new building.—[Beaver Dam Republican.

FRENCH SANG-FROID.—The Russians having abandoned the ground in front of the Quarantine Fort, occupied by a small village, the French soldiers hurried in to seize on all they could—vegetables from the gardens, articles of furniture, and even the doors and windows from the cottages. Gen. Bizot had six windows placed aside to serve in Gen. Canrobert's dining-room when erected. "All that," says a letter from a French officer, was done under a sharp fire of musketry; which, however, only wounded two men slightly. I saw Capt. de Marivault, of the navy, carrying away with the greatest precaution a window, which be protected with infinite address, with his body against the balls. Near him I saw an artilleryman gathering a salad in one of the gardens. A ball knocked out of his hands what he had collected.—Grumbling at being so treated, he again set about his work, and finished it without further molestation. Such examples of *sang froid* are by no means rare.—Letter from the Crimea.

AN ACT FOR THE PRESERVATION OF GAME.

The people of the State of Wisconsin represented in Senate and Assembly, do enact as follows:

SECTION 1. No person or persons shall kill, destroy, or take, or pursue with intent to kill, destroy, or take by any device, contrivance, (it means whatsoever, any woodcock, between the first day of March and the first Tuesday of July; or any grouse, prairie hen, or chicken, between the first day of January and the 15th day of July, or any partridge between the first day of February and the first Tuesday in September; or any quail between the first day of February, and the first Tuesday in October in each and every year. And no person shall at any time, take or catch, by means of any trap or snare of any description, any quails, grouse, prairie hen or chicken, except upon his own premises.

SEC. 2. Every person or persons who shall expose for sale any woodcock, grouse, prairie hen or chicken, partridge, or quail, or shall have either or any of said birds in his, her, or their possession, or custody, which shall have been taken during the time when the killing or taking of the same is prohibited by this act, shall be deemed guilty of killing the same within the meaning of the first section of this act, and be liable to the penalty or penalties hereinafter provided

SEC. 3. Every person offending against the provisions of this act, or either of them, shall be subject to a penalty of five dollars and costs of suit, for each and every grouse, prairie hen or chicken, and two dollars for each and every woodcock or quail, whereof he, she, or they shall be convicted of having taken, killed or destroyed, or pursued with intent to take, kill, or destroy, or have had in possession within the meaning of this act, which penalty or penalties may be sued for and recovered in the name of the State of Wisconsin, before any justice of the peace of the county in which the offence shall have been committed, which suit shall be commenced and carried on in the same manner as prosecutions for other misdemeanors are. The provisions of this bill shall not be construed to include any Indians located within the limits of this State.

SEC. 4. An act to prevent the killing of game therein mentioned, in certain seasons of the year, approved March 15th, 1851, and all other acts contravening the provisions of this act are hereby repealed.

Approved, March 14, 1853.

The Illinois Railroads.

The Michigan Central and Micnigan Southern Railroads are running on time.

The train on the Galena road came in last evening from the west, and the regular train for the west will start on time this morning.

The Aurora road is still blocked up by the snow.

The Rock Island train from the west had passed Joliet last evening, and was expected in here last night. It was expected the regular train for the west would start this morning.

The Chicago and Mississippi road is still blocked up.

The Dixon Air Line is also blocked up.—(Chicago Dem. Feb. 2.

FROM SPRINGFIELD.—In addition to the dispatch from Springfield which we publish this morning, we learn from private sources, that the two houses assembled yesterday in Joint Convention for the election of a United States Senator, but there not being a quorum present the Convention adjourned over until to-day. An effort was being made (by whom or on what grounds not stated) to prevent another meeting of the Joint Convention, but there was no probability that it would prove successful.

Up to 3 o'clock yesterday afternoon there had been no arrival of railroad trains on any of the Roads. Such members as had come in did so by private conveyance. The Northern members reached Bloomington on Tuesday, where they procured sleighs and started in them for Springfield. They probably reached there yesterday, and will be on hand to take a part in the Joint Convention to-day. It was thought at Springfield yesterday that trains from the north could not reach there before Saturday. There are *seventeen* locomotives frozen in the snow drifts on the Chicago and Mississippi road.—[Chicago Dem. Press, Feb. 2.

The Operations of a Brutal Law.

As will be seen by articles which we copy from the Milwaukee papers, S. M. Booth and Rycraft are now in jail in that city in conformity with a sentence passed upon them by Judge Miller for violating the provisions of the Fugitive Slave Law. The circumstances of their trial and conviction have been given. Altho' they stand upon the records of a disreputable, and as all believe, unjust court, as criminals, yet they stand before high Heaven and the tribunal of the people of the free States as guilty of no crime. They have done nothing, which, in the sight of God or civilized man, should subject them to this punishment They have done nothing which the dictates or humanity do not require and right justice demand. Then why should they suffer? Their suffering is but a part of the operation of one of the most barbarous enactments that ever was allowed to blacken the statutes of a civilized nation. Where-ever humanity has a voice free to speak, or right and justice an arm to lift, this tragedy in the history of unrighteousness will receive merited censure and rebuke. The demand will now go up to our National Halls with renewed vigor, for the repeal of this brutal law.—[Fond du Lac Herald.

LUMBERING.—For a week past, we have had most excellent sleighing, there being some eight inches of snow. The Pineries are now alive with the woodmen's axe and the teamster's song, and the partial set back of the first of the month, will soon be more than made up by the drive-ahead Lumbermen. There is a stronger force of men and teams in the Pineries of Wolf River and its branches than formerly, and the present prospects are, that more business will be done than in any previous year. One man alone, has a sufficient force to get out 3,000,000 feet of Logs. We believe the lumbermen on Green Bay are also doing a heavy business this winter.—[Appleton Crescent, Jan. 27.

A SENSIBLE MOVE.—The present managers of the Valley R. R., finding it impossible to extricate the enterprise from the embarrassment caused by the extravagance and folly of its former managers, have finally come to the conclusion that the only way to place it on a go-a-head basis, was, to let it be sold on the Mortgages. It has accordingly been advertised and will be sold on the 24th of March next.—[Fond du Lac Herald.

A NEW POST MASTER.—Capt. Lion Silverman has been appointed Post Master of the Ozaukee Post Office. S. A. White, Esq., has been our Post Master for the past two years, and as such officer has given general satisfaction. He resigned some three months since in favor of Milo M. Whedon, a gentleman well liked in the community in which he resides, and every way qualified to fill an office of that kind. A petition was circulated recommending Mr. Whedon's appointment, and was signed by a majority of our citizens. On the petition might have been seen the name of Lion Silverman. Notwithstanding all this, the Capt. is appointed, to the utter astonishment of the whole community, likewise himself.

We believe the Captain will make a first rate Post Master, and he has our best wishes for his future success.—[Ozaukee Advertiser.

ANOTHER FIRE IN GRAFTON.—The store owned by J. T. Adriance, and occupied by James M. Houston for the Dry Goods and Grocery business, situated on the corner of Milwaukee and Mill streets, took fire during the storm on Sunday the 21st ult., at about eight o'clock A. M. By prompt exertion and with great difficulty, the goods were saved. Amount of loss or insurance not known.—[Ozaukee Advertiser.

☞ A correspondent of the *Musical Gazette*, New York—whom we take to be OLIVER DYER—pays the following well deserved compliment to the musical talent and possessions of Buffalo:

Musically considered, I think Buffalo is the leading inland city of the Union.—[Buffalo Express.

Mr. Dyer should extend his travels West.—When Buffalo can match Milwaukee in "musical talent and possessions," it will have something to brag off.

EFFECTS OF THE EASTERN WAR.—A New York correspondent writes:

"Several of the butchers in this city are engaged in filling large orders for beef on account of the British Government. The wants of the allies also begin to benefit our shipping houses. The French Government have just taken up the clipper ship White Squall, about 1300 tons burthen, to carry provisions to the Black Sea. The terms of the charter are £1 per ton a month, with port charges paid."

Consolidation.

We learn that a consolidation of the following water Transportation Lines has been effected by the parties in interest, to go into effect, we presume, upon the opening of navigation:

Merchants Transit Company.
Western Lake Boat Line.
Clinton Line.
Western States Line.
New York and Cincinnati Line.
Troy and Erie Line.
New York and Western Line.
American Transportation Company.—[Chicago Dem Press Feb 1st

LARGE SALE OF SLAVES.—A few days ago 113 slaves were sold at New Orleans for $86 395, which gives an average of $762 50 each.

SCARCITY OF WHEAT IN KENTUCKY.—One of the Louisville millers has gone to St. Louis to purchase wheat, on account of the scarcity of the article in Kentucky.

Police Court—Feb. 2.

BEFORE CLINTON WALWORTH ESQ. POLICE JUSTICE.

A warrant was issued against Robert Corbit, charging him with assault and battery upon John S. Newcomb on the 1st, Feb.

The warrant was returned in the afternoon without service and the fees paid.

The officer Lienhart, who held the warrant against Michael Dwyer, stated in Court that he attempted to arrest the defendant, but was resisted, being struck several times by the defendant, and that he called upon several men near him in the name of the State, but they refused to assist him. We understand the case will be bro't before the Grand Jury.

A woman named Hannah Whittaker, with her face badly bruised and one eye beaten to a mummy, came in and obtained two warrants against George Whittaker, her husband, for beating her and for threatening to kill her. The woman stated that her husband was in the habit of beating her and had taken a stick to bed with him, and that he jumped out of bed, knocked her down and beat her with the stick. The warrants were given to the City Marshal who proceeded to serve them, and with the help of officer Sifert, lodged Whittaker in jail.

THE SIDE-WALKS—THE CROSSINGS.—An old settler, who quite approves of the City Marshal's determination to enforce the Ordinance, in regard to cleaning the side-walks of snow, ice, or other obstructions, desires us to remind that officer and other functionaries, that the corners of lots and the crossings belong to the city to clean, and that the City Fathers ought in this, as in other respects, to set a good example to their children. If they neglect to do so, he begs the Marshal to invite them up to the Chancellor's office to "settle."

CIRCUIT COURT.—The Circuit Court, Judge HUBBELL presiding, will commence its February Term on Monday week, on which day the Grand Jury are summoned to appear. Reporters have never been denied admission to this court, nor expelled from its bar; but have been laid under many obligations to the Judge and Clerk for their kindness. We believe it has no *imported lion* to growl at, or charge wilful falsehood in open court upon any one, earning a livelihood in an *honest* pursuit.

COUNTY COURT.—The County Court commences on Monday. Now that a U. S. Senator is elected we presume that its chief and other officers will be present.

THE TRAINS.—The train which left here yesterday morning could'nt more than reach Madison by night. The train which left Madison coming east arived at a few minutes past eight last night. Both trains were obstructed by the snow, the worst part of the road appears to be near North Prairie Station, the snow having completely filled the cut on the edge of the prairie. Passengers report that things looked rather *sad* for getting along to-day.

ASHES ON THE SIDEWALKS.—All citizens who are disposed to benefit the public may do so materially, by scattering ashes on the now slippery sidewalks. Many accidents will be prevented by performing this charitable act.

BADGER QUADRILLE PARTIES.—Treat's Hall was well filled last evening by the members of this party, about 70 couples being present—dancing was kept up till a late hour. The music was excellent, by Sargeants Band.

A Hint to the Marshal.

MESSRS. EDITORS:—I am glad to see the City Marshal so prompt in enforcing the side-walk and other Ordinances, on the east side of the river. Please say to him, that we, in the Fifth Ward, would be glad to have him give us a call, as we have almost forgotten about the ordinances.

Deaths of two Clergymen.

CHARLOTTE, N. C., Jan. 25.

The Rev. Cyrus Johnson, D. D., of this town, died very suddenly of appoplexy, this morning, in an omnibus, whilst going to the railroad depot. He was on his way to Fort Mills, for the purpose of marrying a gentleman and lady this evening. He was the second clergyman who had been engaged to perform the ceremony. The Rev. A. S. Watts, who had been engaged for the same purpose, died on the day appointed for the wedding. Dr. Johnson will be buried to-morrow.—[Columbia S. C. Times.

Knaves and Dupes.

A correspondent cuts the following from another paper, and asks us to state that there is no such man as 'S. B. Gets,' at Windsor, Vt., and that the advertisement is intended to cover and promote a game of swindling:

1000 AGENTS WANTED—To canvass for a new book, now being published in New York.—Agents will be paid their board and traveling expenses, and from $100 to $150 per month, paid monthly in advance. As we receive hundreds of letters from those who have no intention of acting as agents, all letters, in order to be noticed, must inclose $1, and, if for any reason the applicant is not engaged, it will be returned. Address, post paid, S. B. GETS, Windsor, Vt.

Having now gratified our correspondent, we tell him our mutual labor is lost, and the exposure is utterly worthless. True, we may stop a few geese from sending their several dollars to this 'S. B. Gets,' but that will be but a momentary benefit. If any one who is fool enough to be taken in by such an advertisement is able to command a dollar, (rather an unlikely supposition,) he will find some watch-auction, or dropped pocket-book, or Gift Ticket swindle, on which to disburse it, if we keep him out of the clutches of Mr. S. B. Gets, who 'gets' very little by his dollar-trap except from born naturals.—Solomon summed up the case of Mr. Gets's customers when he said, "Though you bray a fool in a mortar, yet will not his foolishness depart from him."—however it may be with his dollars. We labor to supply the reading public with intelligence; for those who are utterly devoid of gumption we can do very little. They belong to the parish of Mr. S. B. Gets.—[N. Y. Tribune.

THE LATE K. N. CONVENTION.—Among the national movements recommended by the late Know-Nothing Convention in Odd Fellows Hall, the only ones that have leaked out are these:—The motto "E. Pluribus Unum" on the Federal Coat of Arms is to be translated into the singular "I'm one of 'em, *I am*:" the Phrygian cap, upheld by the woman who sits for the Genius of Liberty on the national coins, is to be supplanted by a Georgia palmetto; and the stars, "which are the poetry of heaven," and consequently flat-footed foreigners, now and forever, are to be left off altogether. There is also to be an inquiry into the expediency of abolishing the English language, which is proved out of its own mouth to be of foreign extraction, the only point of disagreement being on the article to take its place—some going for Hindoo, some for the euphonious Pottawattomie, others for the poetical Choctaw, while the more liberal are willing to compromise upon the classical cipher in which the Order is printed—a sort of provincial Welsh, with the vowels left out.—[N. Y. Tribune.

☞ The following is an extract from the American Railroad *Journal*, dated May 19th, 1832.—"Yesterday morning the passengers on the Mohawk and Hudson Railroad—sixteen miles in length—were brought down the inclined plane to Franklin street, Albany. The English engine is doing all the business; the American has not been used, but will be in a few days. The passengers are taken across for sixty-two and one half cents each, and they average four or five hundred a day."

Clemency Refused.

Prior to his departure for England, Lord Elgin ordered letters of pardon to be issued to the unfortunate petitioners for annexation to the United States. The letters assume that the sentiment which gave rise to that position no longer exists in Canada. Whether it does or not may be inferred from the following letter which one of the pardoned publishes in *Le Moniteur Canadian* in reply to an invitation to resume his station in the militia:

"MONTREAL, Monday, Jan. 15, 1855.

"SIR:—In reply to your note of the 9th, I have the honor to inform you on my part, that my opinions, with regard to the annexation of Canada to the United States, are unchanged, that I desire the accomplishment of this as soon as possible, and as I have no intention of serving her most gracious and most excellent Majesty in case of rupture with our neighbors, either as officer or private, I beg you to be so kind as to accept my resignation, and erase my name from the list of the faithful and loyal subjects of her Majesty.

"Receive, Monsieur, the assurance of my distinguished consideration.

"G. HYPOLITE CHERRIER."

SENTENCED.—Judge Miller refused to grant a new trial, to Booth, notwithstanding it was proved that two of the jurors who pronounced him guilty had previous to the trial, declared in the strongest terms that he "ought to be convicted." Booth is sentenced to one months imprisonment, and fined $1 000. Rycraft, also convicted of participating in the rescue, is sentenced to ten days' imprisonment and fined $200. This entire trial and sentence has been a farce, that future generations will blush to trace upon the pages of the history of our State.—[Mineral Point Tribune.

A WONDERFUL DISCOVERY has recently been made by Dr Curtis, of this city, in the treatment of Consumption, Asthma and all diseases of the lungs. We refer to "Dr. Curtis's Hygeana, or Inhaling Hygean Vapor and Cherry Syrup." With this new method Dr. C has restored many afflicted ones to perfect health; as an evidence of which, he has innumerable certificates. Speaking of the treatment a physician remarks:—It is evident that inhaling—constantly breathing an agreeable, healing vapor, the medicinal properties must come in direct contact with the whole of the aerial cavity of the lungs, and thus escape the many and varied changes produced upon them when introduced into the stomach, and subjected to the process of digestion The Hygeana is for sale at all the druggists throughout the country.—*New York Dutchman, Jan. 14th.*

A Wholesome Thought.

"Bring hither the poor, the maimed, the halt, and the blind," if you would have them healed of their many infirmities. We boldly and fearlessly assert that the Mustang Liniment will positively cure Rheumatism. Let any who are afflicted with that most painful complaint try it thoroughly, according to the directions, and if they are not cured, we will give them their money back What more can we say? It will also cure the Piles. Thousands have tried it, and all were cured. Bruises, Sprains, Sores, or Eruptions fade away as if touched by the magicians wand. Its application to Burn or Scald acts like "oil upon the troubled waters." The tempest of pain and agony is soon stilled, and the patient is hushed to quiet and peaceful slumbers. "There is a balm for, every wound," and that balm is the Mustang Liniment. Everybody that sells medicines keeps it for sale. "Hold your Horses"—and if they are crippled, galled or sprained, use the Mustang Liniment.

The advantages offered by this Company are many, and the public are invited to call upon the Agent and make themselves acquainted with the System adopted by the Company, when they will be better able to decide whether Life Insurance is desirable or not, and at what Office it is their interest to insure.

The many reasons why Fire and Marine Insurance should be adopted, are incontrovertible; and Life Insurance, while it in no way interferes with, or undervalues these important institutions, has claims which no other system of insurance can have. Human existence must on consideration, enjoy a much higher estimate than worldly property.

While the representative of a family lives, (although, through neglect to insure his *property*, he become a bankrupt,) he supports his family; but at his *death*, dies also their means of support, unless he has saved them from want by an insurance on his life, which may be done by the payment of a small annual premium, the payment of which has not diminished his own worldly comfort during life.

If young, the annual payment will be light, and if insured with profits, the policy will be constantly growing more valuable, though the *premium* is not increased.

Clergymen and others who have a stated and regular income, *should insure*, well knowing that, at their death their families may be left destitute,

Men engaged in mercantile or manufacturing pursuits are ever varying and uncertain in their issues, *should insure.*

The farmer who has still a mortgage on his farm, *should insure*, at least to the extent of it, thereby enabling his family to pay off the debt in case of his death.

HENRY FOWLER, Justice of the Peace.

All that have property to Insure, will please inspect and scrutinize the preceding reliable expose of this old and long tried Corporation. For usefulness, security and promptitude, it has ever stood first in the line of transactions—and for ability and means will attract the attention of the insuring public to confirm their confidence in it. The statement is so prepared any one can contrast its condition with local and State Insurance offices, if so disposed. Its investments are of that solid character as not to be materially affected by the late depression in that class of assets.

The increase of its capital stock to $500,000, its bona fide investment for the pledge and security of its policies.

The necessity and real benefits of insurance are well exemplified in the fact the company has paid cash losses during the past year, at its Western Branch office alone, in Cincinnati, to the sum of $244,560 66, most of which has been paid considerably in advance of the time legally due, and it has had no suit or litigation. If all or any of these facts are inducements to the continuance of its valuable patronage, or its increase, they will find its agents ever ready to attend to the demands of business as heretofore, with promptitude, at as favorable rates and terms as security to all permits.

THE UNDERSIGNED WOULD RESPECTFULLY announce to the Public, that he has opened, on
Spring Street, Opposite the American House,
A NEW PIANO FORTE WARE-ROOM!
Where he will keep on hand a good assortment of the celebrated
AMERICAN ACTION PIANO FORTES,
Manufactured by GEORGE HEWS, of Boston, Mass. The Patent American Action Piano Forte is distinguished for its great fullness, richness and sweetness of tone, evenness of scale, and delicacy of touch. The improvement in the Action renders it less liable to derangement, and also greatly facilitates execution. Numerous medals, diplomas and certificates have been received from various fairs and industrial exhibitions in different cities of the Union, from the World's Fair at London, and flattering testimonials from the profession, residents of Boston and elsewhere, among which are the following
From the illustrious Pianist, L M GOTTSCHALK, to Mr Hews. Agent at New York. NEW YORK, Dec. 5, 1853.
MR N J CURTISS — Dear Sir Having had the pleasure of performing upon Geo Hews' American Action Piano at the World's Fair in this city the present year, and other of his Pianos at your Wareroom, which afforded me much gratification, I cheerfully recommend them to the public. I am very glad of the improvement in the action. These instruments likewise are of excellent tone, owing, no doubt, to the perfection of the scales. Very Respectfully, L M GOTTSCHALK
From the distinguished Pianist, WILLIAM MASON
MR HEWS:—Having repeatedly played upon the Piano Fortes manufactured by you, with the American Action, I am free to acknowledge, that for certainty and elasticity of action, power, purity and equality of tone, I have never seen them surpassed in the square Piano Forte. WILLIAM MASON
Purchasers and lovers of music in general, are respectfully invited to call and examine these instruments. These Pianos will be sold at Boston prices, and warranted to give satisfaction in every respect.
☞ Pianos to Let. Old Pianos taken in exchange, and liberal prices allowed.

AYER'S CHERRY PECTORAL,
For the rapid Cure of
COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

AMONG the numerous discoveries Science has made in this generation to facilitate the business of life—increase its enjoyments, and even prolong the term of human existence, none can be named of more real value to mankind, than this contribution of Chemistry to the Healing Art. A vast trial of its virtues throughout this broad country, has proven beyond a doubt, that no medicine or combination of medicines yet known can so surely control and cure the numerous varieties of pulmonary disease which have hitherto swept from our midst thousands and thousands every year. Indeed, there is now abundant reason to believe a Remedy has at length been found which can be relied on, to cure the most dangerous affections of the lungs. Our space here will not permit us to publish any proportion of the cures effected by its use, but we would present the following, and refer further enquiry to my American Almanac, which the Agents below named, will always be pleased to furnish free, wherein are all particulars, and indisputable proof of these statements.

Office of Transportation, Laurens R R, S C, Aug 4, 1853
Dr J C AYER Dear Sir,—My little son, four years old, has just recovered from a severe attack of malignant Scarlet Fever, his throat was rotten, and every person that visited him pronounced him a dead child. Having used your CHERRY PECTORAL, in California in the winter of 1850, for a severe attack of Bronchitis, with entire success, I was induced to try it on my little boy. I gave him a teaspoonful every three hours, commencing in the morning, and by 10 o'clock at night, I found a decided change for the better, and after three days use, he was able to eat or drink without pain.
Its use in the above named disease will save many a child from a premature grave, and relieve the anxiety of many a fond parent. For all affections of the Throat and Lungs I believe it is the best medicine extant. A feeling of the deepest gratitude prompts me in addressing you these lines,—but for your important discovery, my little boy would now have been in another world.
I am yours, with great respect,
J D POWELL, Supt Trans, L R R

Rocky Hill, Somerset Co, N J, July 21, 1852
Dr J C AYER —Since your medicine has become known here it has a greater demand than any other cough remedy we have ever sold. It is spoken of in terms of unmeasured praise by those who have used it, and I know of some cases where the best they can say of it is not too much for the good it has done. I take pleasure in selling it, because I know that I am giving my customers the worth of their money, and I feel gratified in seeing the benefit it confers.
Please send me a further supply, and believe me
Yours, with respect, JOHN C WHITLOCK
P. S —Almost any number of certificates can be sent you if you wish it.

Windsor, C W, June 26, 1853
Dr J C AYER—Sir —This may certify that I have used your CHERRY PECTORAL for upwards of one year, and it is my sincere belief that I should have been in my grave ere this time if I had not. It has cured me of a dangerous affection of the lungs, and I do not overstate my convictions when I call you it is a priceless remedy.
Yours very respectfully,
D A McCLURE, Attorney at Law

Wilkesbarre, Pa, Sept 28, 1850
Dr J C AYER—My dear sir —Your medicine is much approved by those who have used it here, and its composition is such as to insure and maintain its reputation. I invariably recommend it for pulmonary affections, as do many of our principal physicians. I am your friend,
CHAS STREATER, M D.

THE UNDERSIGNED WOULD RESPECTFULLY announce to the Public, that he has opened, on
Spring Street, Opposite the American House,
A NEW
PIANO FORTE WARE-ROOM!
Where he will keep on hand a good assortment of the celebrated
AMERICAN ACTION PIANO FORTES,
Manufactured by GEORGE HEWS, of Boston, Mass.
The Patent American Action Piano Forte is distinguished for its great fullness, richness and sweetness of tone, evenness of scale, and delicacy of touch. The improvement in the Action renders it less liable to derangement, and also greatly facilitates execution. Numerous medals, diplomas and certificates have been received from various fairs and industrial exhibitions in different cities of the Union, from the World's Fair at London, and flattering testimonials from the profession, residents at Boston and elsewhere, among which are the following:
From the Illustrious Pianist, L M GOTTSCHALK, to Mr HEWS, Agent at New York
Mr N J CURTISS — NEW YORK, Dec. 5, 1843.
Dear Sir Having had the pleasure of performing upon Geo Hews' American Action Piano at the World's Fair in this city the present year, and other of his Pianos at your Wareroom, which afforded me much gratification, I cheerfully recommend them to the public. I am very glad of the improvement in the action. These instruments likewise are of excellent tone, owing, no doubt, to the perfection of the scales.
Very Respectfully, L M GOTTSCHALK
From the distinguished Pianist, WILLIAM MASON
Mr HEWS:—Having repeatedly played upon the Piano Fortes manufactured by you, with the American Action, I am free to acknowledge, that for certainty and elasticity of action, power, purity and equality of tone, I have never seen them surpassed in the square Piano Forte.
WILLIAM MASON
Purchasers and lovers of music in general, are respectfully invited to call and examine these instruments. These Pianos will be sold at Boston prices, and warranted to give satisfaction in every respect.
☞ Pianos to Let. Old Pianos taken in exchange, and liberal prices allowed.
☞ Pianos Tuned and Repaired.

I shall have one constantly on hand to exhibit, or for use, free of charge.
COME AND TRY IT.
Warranted to be durable, and will keep them in repair free of charge.
The Mill weighs about four hundred pounds. I furnish the Mill Hopper, bolts all except the box and poles, and those will not cost to exceed five dollars, with directions in full.
Two Good Horses will grind from 8 to 10 bushels Corn Cob per hour, fine enough for feed; and 4 bushels of Shelled Corn, or with a mixture of Oats, in the same time with one horse.

CHERRY PECTORAL,
For the rapid Cure of
COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

AMONG the numerous discoveries Science has made in this generation to facilitate the business of life—increase its enjoyments, and even prolong the term of human existence, none can be named of more real value to mankind, than this contribution of Chemistry to the Healing Art. A vast trial of its virtues throughout this broad country, has proven beyond a doubt, that no medicine or combination of medicines yet known can so surely control and cure the numerous varieties of pulmonary disease which have hitherto swept from our midst thousands and thousands every year. Indeed, there is now abundant reason to believe a Remedy has at length been found which can be relied on, to cure the most dangerous affections of the lungs. Our space here will not permit us to publish any proportion of the cures effected by its use, but we would present the following, and refer further enquiry to my American Almanac, which the Agents below named, will always be pleased to furnish free, wherein are all particulars, and indisputable proof of these statements.
Office of Transportation, Laurens R.R., S C, Aug 4, 53
DR J C AYER Dear Sir,—My little son, four years old, has just recovered from a severe attack of malignant Scarlet Fever, his throat was rotten, and every person that visited him pronounced him a dead child. Having used your CHERRY PECTORAL, in California in the winter of 1850, for a severe attack of Bronchitis, with entire success, I was induced to try it on my little boy. I gave him a teaspoonful every three hours, commencing in the morning, and by 10 o'clock at night, I found a decided change for the better, and after three days use, he was able to eat or drink without pain.
Its use in the above named disease will save many a child from a premature grave, and relieve the anxiety of many a fond parent. For all affections of the Throat and Lungs I believe it is the best medicine extant. A feeling of the deepest gratitude prompts me in addressing you these lines,—but for your important discovery, my little boy would now have been in another world.
I am yours, with great respect
J D. POWELL, Supt Trans, L R R
Rocky Hill, Somerset Co, N J, July 21, 1852
DR J C AYER —Since your medicine has become known here it has a greater demand than any other cough remedy we have ever sold. It is spoken of in terms of unmeasured praise by those who have used it, and I know of some cases where the best they can say of it is not too much for the good it has done. I take pleasure in selling it, because I know that I am giving my customers the worth of their money, and I feel gratified in seeing the benefit it confers.
Please send me a further supply, and believe me
Yours, with respect, JOHN C WHITLOCK
P. S.—Almost any number of certificates can be sent you if you wish it.
Windsor, C W, June 26, 1855
DR J C AYER—Sir —This may certify that I have used your CHERRY PECTORAL for upwards of one year, and it is my sincere belief that I should have been in my grave ere this time if I had not. It has cured me of a dangerous affection of the lungs, and I do not overstate my convictions when I tell you it is a priceless remedy.
Yours very respectfully,
D A McCLURE, Attorney at Law
Wilkesbarre, Pa, Sept 28, 1850
DR J C AYER—My dear sir —Your medicine is much approved by those who have used it here, and its composition is such as to insure and maintain its reputation. I invariably recommend it for pulmonary affections, as do many of our principal physicians. Your friend,
CHAS STREATER, M D.

CHARLES' LONDON CORDIAL GIN.
WITHOUT THE NECESSITY OF EXTRAORDINARY publicity, with scarcely an effort on the part of the proprietor, this superb Gin, in the short period which has elapsed since its introduction to the American public, has achieved a popularity beyond precedent in the whole list of Alcoholic stimulants.
The Certificates of over Five Thousand Physicians in England and the United States, proclaim its intrinsic merits.
It is upon the sideboard of the family, and the bar of every well regulated hotel. By the bedside of the sick as well as the companion of the healthy. THREE PROMINENT QUALITIES it is harmless in its adoption. The [illegible] it improves the appetite, it [illegible] delirium, and cures all [illegible]. Its GREAT RECOMMENDATION is its absolute purity, its delicious flavor—it being entirely free from any other gin—its great utility as a medicine in cases of dyspepsia, gout, gravel, diseases of the kidneys, and innumerable other maladies for which it is a remedy and preventative it has no equal.
To Travellers it is Indispensably Necessary dispelling the annoyances frequent in encounter by change of water, etc., as also, ague, fever, and malaria of every description.
Charles' London Cordial Gin is put up in quarts bottles stamped with the proprietor's name, a facsimile signature upon the label, and packed in cases of two dozen each.
Beware of imitations. The genuine Charles' London Cordial Gin can be had retail of all respectable druggists and grocers, at all hotels, and wholesale of the sole importers, DE VENOGE & CHARLES,

FireKing Safe, again Triumphant.

$1,000 will be paid, if reliable evidence is shown where they ever failed to protect valuable from Fire, where another makers Safes have proved worthless in various accidental and experimental tests, some of which occurred recently
Read the following from Messrs A. McClure & Co, wholesale and extensive dealers in Drugs, Medicines, &c
ALBANY, July, 27, 1852
This is to certify, that on the 23d day of July, 1852, our entire stock, composed of Turpentine, Alcohol, Oil, Patent Medicines, &c , was consumed by fire, so rapid and severe was the fire that we were unable to close one safe until Mr Pohlman subsequently entered at the peril of his life and closed the doors
After forcing the safe open after all this exposure and fire, which made us so careful for the safety of its contents, its valuables were found uninjured
We have so much confidence in the security of the Fire King, that we shall have it immediately replaced
A McCLURE & CO
ALBANY, Dec 10, 1852
This is to certify, that on the 7th day of May, 1851, I purchased of J McB Davidson, No 7, single flange Safe, and that the same was subjected to a severe test on the 15th of December, 1851 After the fire was extinguished, its contents (books and papers,) were examined, and found to be perfectly preserved—not a leaf of my books being scorched.

PATENT MEDICINES.

MEXICAN MUSTANG LINIMENT
THIS EXTRAORDINARY MEDICINE IS STILL working wonders throughout the World— radiating everything in the form of disease that comes within the circle of its influence
The People Themselves
have long since adopted it as the only external remedy they could rely upon, and the indisputable testimony of thousands is fast sweeping away
The Prejudices of the Faculty.
It is extensively used by the Ladies,
It is used by Mechanics and Laboring men,
It is used in families and factories,
It is used expressly by all Express Companies,
It is used by Farmers and Livery stable keepers,
It is used by everybody, and all speak in its praise,
Where it is used, pain cannot exist,
The benumbed limbs are made elastic,
The deep ulcers and frightful sores are healed,
The unstrung nerves are made to vibrate with joy'
Use the Mustang Liniment.
Is the spontaneous advice of all
It has cured more cases of
Rheumatism
than any other medicine ever used Its efficacy in this terrible disease is acknowledged by all who have used it It not only cures the complaint, but appears to give vigor and elasticity to the limbs, before unknown—thus performing a double office
For contractions of the limbs, stiffness of the joints and muscles, hard lumps, swellings and inflammations, it is unrivalled in the power and efficacy of its operations
For Bruises, Sprains, Cuts, Scalds and Burns, but a few applications are necessary in order to effect a total cure
Cancer, or Scrofulous Sores, Tetter, Ringworms, Salt Rheum, Scurvy, Erysipelas, Boils, and Eruptions,
can generally be removed in a few days and the worst cases can be cured in a few weeks at the furthest Persons afflicted with these diseases, should be careful in getting the right article to cure them
Use it upon Your Horses,
for spavin, splint, ring bone, fistula, wind galls, big heads, bruises, strains, string halt, scratches, cracked heels, sweeney, saddle, collar, or harness galls, hard lumps or tumors film or other diseases of the eye, poll evil, &c
The finest horses in the city of New York will be found in the stables of the various Express Companies—and they all use
The Mustang Liniment,
totally discarding any other preparations of the kind, and have all given their certificate in its favor
This we presume will be a sufficient guarantee to induce every one who owns a horse, to give the Mustang a trial
THERE is no Druggist or Country Store keeper
Who pretends to keep medicine at all,
But what keeps a constant supply of the
Mexican Mustang Liniment.
The small size retail for 25 cents per bottle,
The medium sized retail for 50 cents per bottle,
The large sized retail for one dollar per bottle,
The medium hold three times as much as the small
The large holds nearly three times as much as the medium,
Therefore the largest bottles are the cheapest

A CURE FOR ALL!!

HOLLOWAY'S OINTMENT.
Citizens of the Union —
You have done me the honor with one voice, from one end of the Union to the other to lamp the character of my Ointment with your approbation It is scarcely two years since I made it known among you, and already, it has obtained more celebrity than any other Medicine in so short a period. THOMAS HOLLOWAY,
39, *Corner of Ann and Nassau Streets, New York*
CURE OF SORE LEGS, AFTER 9 YEARS STANDING
Mr W J Langley, of Huntsville, Yadkin, North Carolina, suffered for nine years with one of the most painful and troublesome sore legs that ever fell to the lot of man, and after trying every medicine he had ever heard of, he resigned in despair all hope of being cured, but a friend brought him a couple of Pots of Holloway's Ointment, which caused the sores on his legs to heal and his disorders regained his health, to the astonishment of all his acquaintances and friends
CURE OF A BAD BREAST, WHEN THE PATIENT WAS AT DEATH'S DOOR
Mr R DURANT, of New Orleans, addressed Professor Holloway as follows —For 7 years my wife had a bad breast, with ten running wounds, (out of a cancerous nature,) it was told that nothing could save her, she was then induced to use your Ointment and Pills, when in the short space of three months, they effected a perfect cure, to the astonishment of all who knew us We obtained your Medicines from Messrs Wright & Co of Chartres st, New Orleans I send this from "Hotel des Princes," Paris, although I had written it at New Orleans, before we finally left not knowing your address at New York
Nov 9th 1853 (Signed) R DURANT
The Pills should be used conjointly with the Ointment in most of the following cases:—

Bad Legs	Contracted and	Lumbago	Sore throat
Bad Breasts	Stiff Joints	Piles	Skin-diseases
Burns	Fistulas	Rheumatism	Scurvy
Bunions	Gout	Salt Rheum	Sore heads
Chilblains	Glandular	Scalds	Ulcers
Chapped hands	swellings	Sore nipples	Wounds

Sold at the establishment of Professor HOLLOWAY, 39, Corner of Ann and Nassau Streets, New York, also by all respectable Druggists and Dealers in Medicines throughout the United States, in Pots, at 37½ cents, 87 cents, and $1 50 cents each. To be had Wholesale of the principal Drug Houses in the Union.

PATENT MEDICINES

MEDICATED INHALATION
A NEW METHOD.
A MOST WONDERFUL DISCOVERY has recently been made by Dr. CURTIS, for the cure of Asthma, Consumption, Bronchitis, Coughs, Colds, and all Lung Complaints, by Medicated Inhalation Dr. CURTIS'S HYGEANA, or INHALING HYGEAN VAPOR and CHERRY SYRUP, has accomplished the most wonderful cures of Asthma and Consumption in the City of New York and vicinity for a few months past, ever known to man.— It is producing an impression on Diseases of the Lungs never before witnessed by the medical profession. [See certificates in hands of Agents.]
The Inhaler is worn on the breast, under the linen, without the least inconvenience, the heat of the body being sufficient to evaporate the fluid,—supplying the lungs constantly with a healing and agreeable vapor, passing into all the air cells and passages of the lungs that cannot possibly be reached by any other medicine Here is a case of
ASTHMA CURED.
BROOKLYN, N. Y., Dec. 20th, 1853
For about eight years I have been severely afflicted with the Asthma; for the last two years I have suffered beyond all my powers of description, months at a time I have not been able to sleep in a bed, getting what rest I could sitting in my chair My difficulty of breathing, and my sufferings, were so great at times, that for hours together my friends expected each hour would be my last. During the past six years I have had the aid and attendance of some of the most celebrated physicians, but have received no permanent benefit, and but little relief. I at length had the good fortune to procure Dr. Curtis's Hygeana or Inhaling Hygean Vapor and Cherry Syrup At the time I first obtained it, I was suffering under one of my most violent attacks, and was in great distress, almost suffering for want of breath In less than ten minutes from the time I applied the Inhaler to my stomach, and took a teaspoonful of the Cherry Syrup, I was relieved in a great measure from the difficulty of breathing, and had a comfortable night. I have since continued it with the greatest possible benefit, and am now comparatively well God only knows the amount of suffering this medicine has relieved me from. My advice to the suffering is,—TRY IT
CONSUMPTION CURED.
New York, Dec 27th, 1853.
I came to New York in the ship Telegraph my native place is St John, New Brunswick; when I reached this city, my health was very poor, had a very bad cough, raised a great deal of matter, which was frequently mixed with blood; had pain in my left side, and was very weak and emaciated My friends and physician pronounced my case Consumption, and beyond the reach of medicine. I accidentally heard of Dr Curtis's Hygeana, or Inhaling Hygean Vapor and Cherry Syrup, and obtained a package, which I verily believe was the means of saving my life.— Soon after wearing the Inhaler, I found it relieved the pressure on my lungs, and after a while the disease made its appearance upon the surface under the Inhaler I took the Cherry Syrup as directed, and continued to do so, my cough gradually growing better, until it entirely left me, and I now consider myself cured, I still wear the Inhaler, as the use of it is rather pleasant, and believing it strengthening and purifying to the lungs, I feel unwilling at present to dispense with it JOHN WOOD.
Sold by BOYD & PAUL, No 40 Cortlandt street; C H RING, corner of John street and Broadway, N. Y Price $3 a package
N B —Any person inclosing $3 to BOYD & PAUL, or CRAYE & PERKINS, New York, will receive a package containing a bottle of Hygean Vapor, one of Cherry Syrup, and an Inhaler, in a neat box, by express, free to any part of the United States; or four packages for $10 [illegible]

MEDICATED INHALATION!
CONSUMPTION CAN BE CURED, AS TREATED BY
DR. E. N. TRIST,
WITH HIS CELEBRATED
HYGEN & OXYGENIC VAPOR!

DR. TRIST, Graduate of the Royal College of Surgeons in London, and the recipient of diplomas from the *Lying Institution of Edinburgh*, and *Hotel des Invalides of Paris*, having settled permanently in New York for the practice of his profession, begs leave to suggest to the citizens of the United States that several years of study and *successful experiments* in England and Scotland, as well as other parts of Europe, with *Consumption in all its forms*, enable him to warrant, not only relief, but a *complete cure* to all those suffering with this great national disease
Dr TRIST deems it unprofessional to advertise; but others having represented themselves as the originators of the Inhalation Treatment, he would say to the afflicted that he alone is entitled to its first introduction, and would caution all against using the useless and dangerous compounds advertised by incompetent persons
"Take up thy bed and walk"
Dr. TRIST would say to those interested, that he has had manufactured, for the use of his patrons, his "*Patent Inhaling Tubes*," through which the vapor is conveyed to the parts affected, and which he earnestly commends for the observing results which have attended their use; and the *fact* that they may be used by the most feeble in valid without any unpleasant symptoms.
To those residing out of the city, Dr. Trist will forward one of the Inhaling Tubes, together with a package of the Vapor, sufficient to last for three months accompanied with ample directions for use, on receipt of a letter containing Ten Dollars, and describing symptoms
A cure is warranted in all stages of *Consumption, Bronchitis, Asthma*, and all other *affections of the Throat, Lungs*, and Air Passages In case of failure, the money will be returned

FireKing Safe, again Triumphant.

$1,000 will be paid, if reliable evidence is shown where they ever failed to protect valuable from Fire, where as other makers' Safes have proved worthless in various accidental and experimental tests, some of which occurred recently.
Read the following from Messrs. A. McClure & Co., wholesale and extensive dealers in Drugs, Medicines, &c.
ALBANY, July 27, 1852
This is to certify, that on the 23d day of July, 1852, our entire stock, composed of Turpentine, Alcohol, Oil, Patent Medicines, &c., was consumed by fire, so rapid and severe was the fire that we were unable to close one safe until Mr. Pohlman subsequently entered at the peril of his life and closed the doors.
After forcing the safe open after all this exposure and fire, which made us so careful for the safety of its contents, its valuables were found uninjured.
We have so much confidence in the security of the Fire King, that we shall have it immediately replaced.
A. McCLURE & CO
ALBANY, Dec 10, 1852
This is to certify, that on the 7th day of May, 1851, I purchased of J. McB. Davidson, No 7, single flange Safe, and that the same was subjected to a severe test on the 16th of December, 1851. After the fire was extinguished, its contents (books and papers,) were examined, and found to be perfectly preserved—not a leaf of any books being scorched.
P. J. CLAASSEN,
Importer of Wines, Cigars, &c., Broadway, Albany
After an examination of P. J. Claassen's Safe and papers, we are convinced of the superiority of Davidson's Safes over all others.

Raymond, Ward Co. will receive orders for Vaults, Fire and Thief Proof Bank and Vault Doors. del8
This is to certify that on the 25th of September last we purchased of H. D. Rice Esq., one of Mr. J. McB. Davidson's Fire Kings (No 4 Single Flange), that on the 14th of November past it was subjected to a very severe test in the burning of our warehouse, in which was stored a large quantity of whisky and other combustible materials. PATENT MEDICINES.

MEXICAN MUSTANG LINIMENT

THIS EXTRAORDINARY MEDICINE IS STILL working wonders throughout the World—radiating everything in the form of disease that comes within the circle of its influence.

The People Themselves
have long since adopted it as the only external remedy they could rely upon, and the indisputable testimony of thousands is fast sweeping away

The Prejudices of the Faculty.
It is extensively used by the Ladies,
It is used by Mechanics and Laboring men,
It is used in families and factories,
It is used expressly by all Express Companies,
It is used by Farmers and Livery stable keepers,
It is used by everybody, and all speak in its praise,
Where it is used, pain cannot exist,
The benumbed limbs are made elastic,
The deep ulcers and frightful sores are healed,
The unstrung nerves are made to vibrate with joy

Use the Mustang Liniment.
is the spontaneous advice of all
It has cured more cases of
Rheumatism
than any other medicine ever used. Its efficacy in this terrible disease is acknowledged by all who have used it. It not only cures the complaint, but appears to give vigor and elasticity to the limbs, before unknown—thus performing a double office.
For contractions of the limbs, stiffness of the joints and muscles, hard lumps, swellings and inflammations, it is unrivalled in the power and efficacy of its operations.
For Bruises, Sprains, Cuts, Scalds and Burns, but a few applications are necessary in order to effect a total cure.
Cancer, or Scrofulous Sores, Tetter, Ringworms, Salt Rheum, Scurvy, Erysipelas, Boils, and Eruptions,
can generally be removed in a few days and the worst cases can be cured in a few weeks at the farthermost. Persons afflicted with these diseases, should be careful in getting the right article to cure them.
Use it upon Your Horses,
for spavin, splint, ring bone, fistula, wind galls, big heads, bruises, strains, string halt, scratches, cracked heels, sweeney, saddle, collar, or harness galls, hard lumps or tumors film or other diseases of the eye, poll evil, &c.
The finest horses in the city of New York will be found in the stables of the various Express Companies—and they all use
The Mustang Liniment,
totally discarding any other preparations of the kind, and have all given their certificate in its favor.
This we presume will be a sufficient guarantee to induce every one who owns a horse, to give the Mustang a trial.
THERE is no Druggist or Country Store keeper
Who pretends to keep medicine at all,
But what keeps a constant supply of the
Mexican Mustang Liniment.
The small size retail for 25 cents per bottle,
The medium sized retail for 50 cents per bottle,
The large sized retail for one dollar per bottle,
The medium hold three times as much as the small
The large holds nearly three times as much as the medium,
Therefore the largest bottles are the cheapest.

Originator and Sole Proprietor,

THE MUSTANG LINIMENT is sold at all of the Drug Stores in Milwaukee, and by storekeepers and druggists generally all over the State of Wisconsin. Principal Wholesale Agents in Milwaukee—Lapham & Hopkins, Seth Johnson, Jr., Bosworth & Son, H. Rees, Jr., and A. F. Clark. dec28 dwtf

CURE OF SORE LEGS, AFTER 37 YEARS STANDING
Mr. W. J. Langley, of Huntsville, Yadkin, North Carolina, suffered for nine years with one of the most painful and troublesome sore legs that ever fell to the lot of man, and after trying every medicine he had ever heard of, he resigned in despair all hope of being cured, but a friend brought him a couple of Pots of Holloway's Ointment, which caused the sores on his legs to heal and he entirely regained his health, to the astonishment of all his acquaintances and friends.
CURE OF A BAD BREAST, WHEN THE PATIENT WAS AT DEATH'S DOOR
Mr. R. DURANT, of New Orleans, addressed Professor HOLLOWAY, as follows—"For 7 years my wife had a bad breast, with ten running wounds, (not of a cancerous nature,) I was told that nothing could save her, she was then induced to use your Ointment and Pills, when in the short space of three months, they effected a perfect cure, to the astonishment of all who knew us. We obtained your Medicines from Messrs. Wright & Co. of Chartres st., New Orleans. I send this from "Hotel des Princes," Paris, although I had written it at New Orleans, before we finally left not knowing your address at New York.

PATENT MEDICINES

MEDICATED INHALATION
A NEW METHOD.

A MOST WONDERFUL DISCOVERY has recently been made by Dr. CURTIS, for the cure of Asthma, Consumption, Bronchitis, Coughs, Colds, and all Lung Complaints, by Medicated Inhalation. Dr. CURTIS'S HYGEANA, or INHALING HYGEAN VAPOR and CHERRY SYRUP, has accomplished the most wonderful cures of Asthma and Consumption in the City of New York and vicinity for a few months past, ever known to man.—It is producing an impression on Diseases of the Lungs never before witnessed by the medical profession. [See certificates in hands of Agents.]
The Inhaler is worn on the breast, under the linen, without the least inconvenience, the heat of the body being sufficient to evaporate the fluid,—supplying the lungs constantly with a healing and agreeable vapor, passing into all the air cells and passages of the lungs that cannot possibly be reached by any other medicine. Here is a case of
ASTHMA CURED.
BROOKLYN, N. Y., Dec. 20th, 1853
For about eight years I have been severely afflicted with the Asthma; for the last two years I have suffered beyond all my powers of description, months at a time I have not been able to sleep in a bed, getting what rest I could sitting in my chair. My difficulty of breathing, and my sufferings, were so great at times, that for hours together my friends expected each hour would be my last. During the past six years I have had the aid and attendance of some of the most celebrated physicians, but have received no permanent benefit, and but little relief. I at length had the good fortune to procure Dr. Curtis's Hygeana or Inhaling Hygean Vapor and Cherry Syrup. At the time I first obtained it, I was suffering under one of my most violent attacks, and was in *great distress, almost suffocating for want of breath*. In less than ten minutes from the time I applied the Inhaler to my stomach, and took a teaspoonful of the Cherry Syrup, I was relieved in a great measure from the difficulty of breathing, and had a comfortable night. I have since continued it with the greatest possible benefit, and am now comparatively well. God only knows the amount of suffering this medicine has relieved me from. My advice to the suffering is,—TRY IT.
CONSUMPTION CURED.
NEW YORK, Dec 27th, 1853.
I came to New York in the ship Telegraph my native place is St. John, New Brunswick; when I reached this city, my health was very poor, had a very bad cough, raised a great deal of matter, which was frequently mixed with blood; had pain in my left side, and was very weak and emaciated. My friends and physician pronounced my case Consumption, and beyond the reach of medicine. I accidentally heard of Dr. Curtis's Hygeana, or Inhaling Hygean Vapor and Cherry Syrup, and obtained a package, which I verily believe was the means of saving my life. Soon after wearing the Inhaler, I found it relieved the pressure on my lungs, and after a while the disease made its appearance upon the surface under the Inhaler. I took the Cherry Syrup as directed, and continued to do so, my cough gradually growing better, until it entirely left me, and I now consider myself cured. I still wear the Inhaler, as the use of it is rather pleasant, and believing it strengthening and purifying to the lungs, I feel unwilling at present to dispense with it. JOHN WOOD.
Sold by BOYD & PAUL, No 40 Cortlandt street; C. H. RING, corner of John street and Broadway, N. Y. Price $3 a package.
N. B.—Any person inclosing $3 to BOYD & PAUL, or CURTIS & PERKINS, New York, will receive a package containing a bottle of Hygean Vapor, one of Cherry Syrup, and an Inhaler, in a neat box, by express, free to any part of the United States; or four packages for $10 ruch-lyd&w

MEDICATED INHALATION!
CONSUMPTION CAN BE CURED, AS TREATED BY
DR. E. N. TRIST,
WITH HIS CELEBRATED
HYGEN & OXYGENIC VAPOR!

DR. TRIST, Graduate of the Royal College of Surgeons in London, and the recipient of diplomas from the *Lung Institution of Edinburgh*, and *Hotel des Invalides of Paris*, having settled permanently in New York for the practice of his profession, begs leave to suggest to the citizens of the United States that several years of study and *successful experiments* in England and Scotland, as well as other parts of Europe, with *Consumption in all its forms*, enable him to warrant, not only relief, but a *complete cure* to all those suffering with this great national disease.
Dr. TRIST deems it unprofessional to advertise; but others having represented themselves as the originators of the Inhalation Treatment, he would say to the afflicted that he alone is entitled to its first introduction, and would caution all against using the useless and dangerous compounds advertised by incompetent persons.
"Take up thy bed and walk.
Dr. TRIST would say to those interested, that he has had manufactured, for the use of his patrons, his "*Patent Inhaling Tubes*," through which the vapor is conveyed to the parts affected, and which he earnestly commends for the cheering results which have attended their use; and the *fact* that they may be used by the most feeble in valid without any unpleasant symptoms.
To those residing out of the city, Dr. Trist will forward one of the Inhaling Tubes, together with a package of the Vapor, sufficient to last for three months, accompanied with ample directions for use, on receipt of a letter containing Ten Dollars, and describing symptoms.
A cure is warranted in all stages of *Consumption, Bronchitis, Asthma*, and all other *affections of the Throat, Lungs*, and Air Passages. In case of failure, the money will be returned.
